

# 2V0-32.24 Latest Exam Discount & Test 2V0-32.24 Passing Score

P.S. Free 2025 VMware 2V0-32.24 dumps are available on Google Drive shared by DumpsMaterials:  
<https://drive.google.com/open?id=1SDhE4ylEH6btdEZVFqfJUoNRnArv5AGH>

With the high pass rate as 98% to 100%, we are confident to claim that our high quality and high efficiency of our 2V0-32.24 exam guide is unparalleled in the market. We provide the latest and exact 2V0-32.24 practice quiz to our customers and you will be grateful if you choose our 2V0-32.24 Study Materials and gain what you are expecting in the shortest time. Besides, you have the chance to experience the real exam in advance with the Software version of our 2V0-32.24 practice materials.

## VMware 2V0-32.24 Exam Syllabus Topics:

Topic	Details
Topic 1	<ul style="list-style-type: none"><li>Administrative and Operational Tasks: This section of the exam measures skills of Cloud Administrators and covers daily operational tasks such as content and environment management in vRealize Suite Lifecycle Manager. It also includes managing licensing, alert systems, dashboards, metrics, cost assessments, capacity optimization, workload planning, and system monitoring. Additionally, it explores access control, patching, and retention settings in vRealize Log Insight, ensuring ongoing operational excellence across VMware tools.</li></ul>
Topic 2	<ul style="list-style-type: none"><li>Troubleshooting and Repairing: This section of the exam measures skills of Support Engineers and covers the diagnosis and resolution of common performance and configuration issues in vRealize Operations, Log Insight, and Lifecycle Manager. It also includes cluster management options, log bundle generation, password handling, and changing authentication settings, equipping professionals to ensure system reliability.</li></ul>
Topic 3	<ul style="list-style-type: none"><li>Planning and Designing: This section of the exam measures the skills of Cloud Architects and covers the architectural models and sizing requirements for vRealize Operations and vRealize Log Insight. It evaluates the ability to choose between standalone, clustered, and high-availability setups, and to plan appropriately based on scenario-based requirements for capacity and deployment type, ensuring well-designed cloud solutions.</li></ul>
Topic 4	<ul style="list-style-type: none"><li>Architecture and Technologies: This section of the exam measures the skills of Cloud Architects and covers the core differences between VMware Cloud Management offerings, focusing on SaaS versus on-premises deployments. It introduces the capabilities of vRealize Suite Lifecycle Manager, vRealize Operations, and vRealize Log Insight, helping professionals understand the foundational technologies that support VMware's cloud ecosystem.</li></ul>

## Test 2V0-32.24 Passing Score - 2V0-32.24 Exam Prep

A good brand is not a cheap product, but a brand that goes well beyond its users' expectations. The value of a brand is that the 2V0-32.24 exam questions are more than just exam preparation tool -- it should be part of our lives, into our daily lives. Do this, therefore, our 2V0-32.24 question guide has become the industry well-known brands, but even so, we have never stopped the pace of progress, we have been constantly updated the 2V0-32.24 real study dumps. The most important thing is that the 2V0-32.24 exam questions are continuously polished to be sold, so that users can enjoy the best service that our products bring. Our 2V0-32.24 real study dumps provide users with comprehensive learning materials, so that users can keep abreast of the progress of The Times.

### VMware Cloud Operations 8.x Professional V2 Sample Questions (Q41-Q46):

#### NEW QUESTION # 41

An administrator needs to change the password for the admin user account on vRealize Operations.

Which two methods can the administrator use to complete this task? (Choose two.)

- A. Log in to the vRealize Operations admin UI as the admin user and use the change password functionality
- B. Log in to the vRealize Operations admin UI as the admin user, take the cluster offline and use the change password functionality
- C. Log in to the Primary node via SSH and use the appropriate command to reset the admin user account password
- D. Log in to each node via SSH and use the appropriate script to reset the admin user account password
- E. Log in to vRealize Suite Lifecycle Manager and use the rotate password functionality

**Answer: C,D**

Explanation:

To change the password for the admin user account in vRealize Operations, these methods can be used:

Log in to the Primary node via SSH and use the appropriate command to reset the admin user account password: This method allows the administrator to directly reset the admin password on the primary node via SSH using command-line utilities specific to vRealize Operations.

Log in to each node via SSH and use the appropriate script to reset the admin user account password: In a multi-node environment, the password reset might need to be performed on each node using a script to ensure that the new password is applied across all nodes in the cluster.

#### NEW QUESTION # 42

When using vRealize Lifecycle Manager to capture content from a vRealize Operations endpoint, which three statements are correct regarding the content sync? (Choose three.)

- A. The UI retrieves the content from the endpoint when listing the content for the first time.
- B. Select the "Get latest" content option to retrieve the content, before the initial sync.
- C. An auto refresh of content list runs in the background every 15 minutes.
- D. An auto refresh of content list runs in the background every 30 minutes.
- E. The UI retrieves the content every time from the endpoint when opening the endpoint.
- F. Select the "Get latest" content option to retrieve the content in between automatic sync timers.

**Answer: A,D,F**

Explanation:

An auto refresh of content list runs in the background every 30 minutes: vRealize Lifecycle Manager automatically refreshes the content list from the vRealize Operations endpoint every 30 minutes to ensure the most current content is displayed.

Select the "Get latest" content option to retrieve the content in between automatic sync timers: If the administrator wants to manually sync and get the latest content between the auto-refresh intervals, they can select the "Get latest" option.

The UI retrieves the content from the endpoint when listing the content for the first time: When accessing the content for the first time, the UI will retrieve the content directly from the endpoint to populate the list.

#### NEW QUESTION # 43

When creating a vRealize Operations content endpoint in vRealize Suite Lifecycle Manager what should an administrator configure on the vRealize Operations appliance?

- A. A local user account with the relevant permissions to allow ssh access
- B. A content management agent for capturing the supported types of content
- C. A configuration file with the vRealize Suite Lifecycle Manager server details
- D. A new file system partition that is shared for storing content exports

**Answer: C**

Explanation:

When creating a vRealize Operations content endpoint in vRealize Suite Lifecycle Manager (vRSLCM), an administrator must configure a configuration file that includes the vRealize Suite Lifecycle Manager server details. This allows vRealize Operations to communicate with vRSLCM and facilitates the management of content within vRealize Operations using the Lifecycle Manager.

#### NEW QUESTION # 44

An administrator is updating a Content Pack within vRealize Log Insight which has user modifications.

What step should the administrator take to ensure the user modifications persist after the update?

- A. Export the modifications as a Content Pack and import the changes to the user profile after the update is completed.
- B. Persist user modifications is not available when updating the Content Pack.
- C. Update the content pack as per the standard procedure.
- **D. Export the modifications as a Content Pack and import the changes to the system profile after the update is completed.**

**Answer: D**

Explanation:

When updating a Content Pack in vRealize Log Insight that has user modifications, it is essential to export the custom changes (such as modified queries, dashboards, etc.) as a separate Content Pack. After the update is completed, the exported Content Pack containing the user modifications can be imported back into the system profile to ensure that the customizations persist and are not lost during the update process.

#### **NEW QUESTION # 45**

Which three guest information properties are collected for all objects created by the OS and Application Monitoring management pack? (Choose three.)

- **A. IP Address**
- **B. OS Version**
- C. MAC Address
- D. Hostname
- E. BIOS UUID
- **F. OS Build Number**

**Answer: A,B,F**

Explanation:

The OS and Application Monitoring management pack in vRealize Operations collects various guest information properties for all objects, including:

OS Build Number: The version/build of the operating system running on the guest.

OS Version: The version of the operating system installed on the guest.

IP Address: The network IP address assigned to the guest.

#### NEW QUESTION # 46

.....

The rapid development of information will not infringe on the learning value of our 2V0-32.24 exam questions, because our customers will have the privilege to enjoy the free update for one year. You will receive the renewal of 2V0-32.24 study files through the email. And our 2V0-32.24 study files have three different version can meet your demands. Firstly, PDF version is easy to read and print. Secondly software version does not limit to the number of installed computers, and it simulates the real 2V0-32.24 Actual Test guide, but it can only run on Windows operating system. Thirdly, online version supports for any electronic equipment and also supports offline use at the same time. For the first time, you need to open 2V0-32.24 exam questions in online environment, and then you can use it offline. All in all, helping our candidates to pass the exam successfully is what we always looking for. 2V0-32.24 actual test guide is your best choice.
