NEW QUESTION # 158

For each of the following statements, select Yes if the statement is true. Otherwise, select No.

NOTE: Each correct selection is worth one point.

Answer:

Explanation:

Explanation

Yes

NO

NO

YES - As an administrator, you can lock a subscription, resource group, or resource to prevent other users in your organization from accidentally deleting or modifying critical resources. The lock overrides any permissions the user might have.

NO - The most restrictive lock in the inheritance takes precedence.

NO - If you delete a resource group with a locked resource, the portal UI will give you an error and no resources are deleted.
