

F5 F5CAB2 Exam Questions - F5CAB2 Vce File

No matter how much you study, it can be difficult to feel confident going into the BIG-IP Administration Data Plane Concepts (F5CAB2) (F5CAB2) exam. However, there are a few things you can do to help ease your anxiety and boost your chances of success. First, make sure you prepare with Real F5CAB2 Exam Dumps. If there are any concepts you're unsure of, take the time to take F5CAB2 practice exams until you feel comfortable.

However, preparing for the BIG-IP Administration Data Plane Concepts (F5CAB2) (F5CAB2) exam is not an easy job until they have real BIG-IP Administration Data Plane Concepts (F5CAB2) (F5CAB2) exam questions that are going to help them achieve this target. They have to find a trusted source such as Real4Prep to reach their goals. Get F5 F5CAB2 Certified, and then apply for jobs or get high-paying job opportunities.

F5CAB2 Vce File & Latest F5CAB2 Exam Online

Real4Prep will provide you with actual BIG-IP Administration Data Plane Concepts (F5CAB2) (F5CAB2) exam questions in pdf to help you crack the F5 F5CAB2 exam. So, it will be a great benefit for you. If you want to dedicate your free time to preparing for the BIG-IP Administration Data Plane Concepts (F5CAB2) (F5CAB2) exam, you can check with the soft copy of pdf questions on your smart devices and study when you get time. On the other hand, if you want a hard copy, you can print BIG-IP Administration Data Plane Concepts (F5CAB2) (F5CAB2) exam questions.

F5 BIG-IP Administration Data Plane Concepts (F5CAB2) Sample Questions (Q63-Q68):

NEW QUESTION # 63

In the GUI, where should the BIG-IP Administrator configure an existing VLAN named external to a specific interface as untagged?

- A. Network - VLANs -> VLAN List -> external -> interfaces
- B. Network -> VLANs -> VLAN List -> internal -> interfaces
- C. Network -> VLANs -> VLAN List -> create -> external

Answer: A

Explanation:

In the BIG-IP system, VLANs are the logical entities that group physical interfaces or trunks together. To modify how a VLAN interacts with an interface, the administrator must navigate to the specific VLAN configuration object.

* VLAN List: This section displays all existing VLANs configured on the system.

- * Interface Association: Within the properties of a specific VLAN (in this case, "external"), there is an Interfaces section. This is where physical ports or trunks are assigned to the VLAN.
- * Tagging Status: For each associated interface, the administrator can choose between Tagged (802.1Q) or Untagged.
- * Untagged: The interface will treat incoming traffic without a VLAN header as part of this VLAN, and outgoing traffic will not have a VLAN tag added. An interface can only be "Untagged" for one VLAN.
- * Tagged: Allows an interface to carry traffic for multiple VLANs simultaneously by using 802.1Q headers.

NEW QUESTION # 64

Which statement is true concerning cookie persistence?

- A. Cookie persistence allows persistence independent of IP addresses.
- B. Cookie persistence uses a cookie that stores the virtual server, pool name, and member IP address in clear text.
- C. Cookie persistence allows persistence even if the data are encrypted from client to pool member.
- D. If a client's browser accepts cookies, cookie persistence will always cause a cookie to be written to the client's file system.

Answer: A

NEW QUESTION # 65

The BIG-IP Administrator wants to provide quick failover between the F5 LTM devices that are configured as an HA pair with a single Self IP using the MAC Masquerade feature. The administrator configures MAC masquerade for traffic-group-1 using the following command:

```
`tmsh modify /cm traffic-group traffic-group-1 mac 02:12:34:56:00:00`
```

However, the Network Operations team identifies an issue with using the same MAC address across multiple VLANs. As a result, the administrator enables Per-VLAN MAC Masquerade to ensure a unique MAC address per VLAN by running:

```
`tmsh modify /sys db tm.macmasqaddr_per_vlan value true`
```

What would be the resulting MAC address on a tagged VLAN with ID 1501? (Choose one answer)

- A. 02:12:34:56:dd:05
- B. 02:12:34:56:05:dd
- C. 02:12:34:56:15:01
- D. 02:12:34:56:01:15

Answer: B

NEW QUESTION # 66

Which virtual server type is being configured in the screenshot? (Choose one answer.)

- A. Standard
- B. Performance Layer 4
- C. Forwarding IP

Answer: B

Explanation:

Comprehensive and Detailed Explanation (BIG-IP Administration - Data Plane Concepts):

The configuration shown matches a Performance Layer 4 virtual server because it is explicitly using a FastL4 profile:

The screenshot shows Protocol: TCP and Protocol Profile (Client): fastL4.

In BIG-IP data plane terms, FastL4 is the hallmark of a Performance (Layer 4) virtual server, designed to process connections at Layer 4 with minimal overhead (high throughput/low latency) compared to full proxy L7 processing.

The screenshot also shows HTTP Profile (Client): None (and HTTP server profile effectively not in use).

A Standard virtual server commonly uses full-proxy features and frequently includes L7 profiles (like HTTP) when doing HTTP-aware load balancing, header manipulation, cookie persistence, etc. In contrast, a Performance L4 virtual server typically does not use an HTTP profile because it is not doing HTTP-aware (Layer 7) processing.

It is not a Forwarding IP virtual server:

A Forwarding (IP) virtual server is used to route/forward packets (often without load balancing to pool members in the same way as Standard/Performance VS) and is selected by choosing a forwarding type. The presence of a TCP protocol with a FastL4 client profile aligns with a Layer 4 load-balancing style virtual server, not a packet-forwarding virtual server type.

Conclusion: Because the configuration is TCP-based and explicitly uses fastL4 with no HTTP profile, the expected BIG-IP virtual server type is Performance Layer 4 (Option C).

NEW QUESTION # 67

What type of virtual server should be used to load balance UDP traffic without considering previous connections?

- A. Standard
- B. Reject
- C. Forwarding
- D. Stateless

Answer: D

NEW QUESTION # 68

.....

Owing to the industrious dedication of our experts and other working staff, our F5CAB2 study materials grow to be more mature and are able to fight against any difficulties. Our F5CAB2 preparation exam have achieved high pass rate in the industry, and we always maintain a 99% pass rate with our endless efforts. We have to admit that behind such a starling figure, there embrace mass investments from our company on our F5CAB2 learning quiz. But it is all worth that as the high pass rate can make sure our customers pass the exam by the best percentage.

F5CAB2 Vce File: <https://www.real4prep.com/F5CAB2-exam.html>

Our F5CAB2 study materials guarantee the pass rate from professional knowledge, services, and flexible plan settings, F5 F5CAB2 Exam Questions It is better to try before purchase, The language which is easy to be understood and simple, F5CAB2 exam questions are suitable for any learners no matter he or she is a student or the person who have worked for many years with profound experiences, If you buy our F5CAB2 exam questions, we will offer you high quality products and perfect after service just as in the past.

Creating a Modal Dialog with a Window Style, F5CAB2 At the risk of taking this analogy even further, you might decide to set traps for people, Our F5CAB2 study materials guarantee the pass rate from professional knowledge, services, and flexible plan settings.

Latest F5 F5CAB2 Questions – Key To Success In First Try

It is better to try before purchase, The language which is easy to be understood and simple, F5CAB2 Exam Questions are suitable for any learners no matter he or she F5CAB2 Updated Testkings is a student or the person who have worked for many years with profound experiences.

If you buy our F5CAB2 exam questions, we will offer you high quality products and perfect after service just as in the past, Real4Prep's F5CAB2 exam dumps comprise a brief and succinct set of exam questions that provides authentic, updated and the most relevant information on each syllabus contents that may be the part of your F5CAB2 exam paper.
