The fifth table shows the candidate's score for each question, and the sixth table shows the candidate's score for each question. The seventh table shows the candidate's score for each question, and the eighth table shows the candidate's score for each question. The ninth table shows the candidate's score for each question, and the tenth table shows the candidate's score for each question. The eleventh table shows the candidate's score for each question, and the twelfth table shows the candidate's score for each question. The thirteenth table shows the candidate's score for each question, and the fourteenth table shows the candidate's score for each question. The fifteenth table shows the candidate's score for each question, and the sixteenth table shows the candidate's score for each question. The seventeenth table shows the candidate's score for each question, and the eighteenth table shows the candidate's score for each question. The nineteenth table shows the candidate's score for each question, and the twentieth table shows the candidate's score for each question. The twenty-first table shows the candidate's score for each question, and the twenty-second table shows the candidate's score for each question. The twenty-third table shows the candidate's score for each question, and the twenty-fourth table shows the candidate's score for each question. The twenty-fifth table shows the candidate's score for each question, and the twenty-sixth table shows the candidate's score for each question. The twenty-seventh table shows the candidate's score for each question, and the twenty-eighth table shows the candidate's score for each question. The twenty-ninth table shows the candidate's score for each question, and the thirtieth table shows the candidate's score for each question. The thirty-first table shows the candidate's score for each question, and the thirty-second table shows the candidate's score for each question. The thirty-third table shows the candidate's score for each question, and the thirty-fourth table shows the candidate's score for each question. The thirty-fifth table shows the candidate's score for each question, and the thirty-sixth table shows the candidate's score for each question. The thirty-seventh table shows the candidate's score for each question, and the thirty-eighth table shows the candidate's score for each question. The thirty-ninth table shows the candidate's score for each question, and the fortieth table shows the candidate's score for each question. The forty-first table shows the candidate's score for each question, and the forty-second table shows the candidate's score for each question. The forty-third table shows the candidate's score for each question, and the forty-fourth table shows the candidate's score for each question. The forty-fifth table shows the candidate's score for each question, and the forty-sixth table shows the candidate's score for each question. The forty-seventh table shows the candidate's score for each question, and the forty-eighth table shows the candidate's score for each question. The forty-ninth table shows the candidate's score for each question, and the fiftieth table shows the candidate's score for each question. The fifty-first table shows the candidate's score for each question, and the fifty-second table shows the candidate's score for each question. The fifty-third table shows the candidate's score for each question, and the fifty-fourth table shows the candidate's score for each question. The fifty-fifth table shows the candidate's score for each question, and the fifty-sixth table shows the candidate's score for each question. The fifty-seventh table shows the candidate's score for each question, and the fifty-eighth table shows the candidate's score for each question. The fifty-ninth table shows the candidate's score for each question, and the sixtieth table shows the candidate's score for each question. The sixty-first table shows the candidate's score for each question, and the sixty-second table shows the candidate's score for each question. The sixty-third table shows the candidate's score for each question, and the sixty-fourth table shows the candidate's score for each question. The sixty-fifth table shows the candidate's score for each question, and the sixty-sixth table shows the candidate's score for each question. The sixty-seventh table shows the candidate's score for each question, and the sixty-eighth table shows the candidate's score for each question. The sixty-ninth table shows the candidate's score for each question, and the seventieth table shows the candidate's score for each question. The seventy-first table shows the candidate's score for each question, and the seventy-second table shows the candidate's score for each question. The seventy-third table shows the candidate's score for each question, and the seventy-fourth table shows the candidate's score for each question. The seventy-fifth table shows the candidate's score for each question, and the seventy-sixth table shows the candidate's score for each question. The seventy-seventh table shows the candidate's score for each question, and the seventy-eighth table shows the candidate's score for each question. The seventy-ninth table shows the candidate's score for each question, and the eightieth table shows the candidate's score for each question. The eighty-first table shows the candidate's score for each question, and the eighty-second table shows the candidate's score for each question. The eighty-third table shows the candidate's score for each question, and the eighty-fourth table shows the candidate's score for each question. The eighty-fifth table shows the candidate's score for each question, and the eighty-sixth table shows the candidate's score for each question. The eighty-seventh table shows the candidate's score for each question, and the eighty-eighth table shows the candidate's score for each question. The eighty-ninth table shows the candidate's score for each question, and the ninetieth table shows the candidate's score for each question. The ninety-first table shows the candidate's score for each question, and the ninety-second table shows the candidate's score for each question. The ninety-third table shows the candidate's score for each question, and the ninety-fourth table shows the candidate's score for each question. The ninety-fifth table shows the candidate's score for each question, and the ninety-sixth table shows the candidate's score for each question. The ninety-seventh table shows the candidate's score for each question, and the ninety-eighth table shows the candidate's score for each question. The ninety-ninth table shows the candidate's score for each question, and the hundredth table shows the candidate's score for each question.

PR2F模擬試験サンプル、PR2F対策学習

PR2Fの学習教材は、テストの迅速な合格に役立ちます。認証を利用できます。多くの人が、PR2F試験問題の助けを借りて、日々の仕事でより効率的に行動する能力を向上させています。弊社のPR2F学習教材を選択すると、あなたの夢がより明確に提示されます。次に、私の紹介を通じて、PR2F学習クイズをより深く理解していただければ幸いです。PR2Fの学習教材が試験に合格するための手助けになることを本当に願っています。

PRINCE2メソッドロジーは、プロジェクト管理のベストプラクティスとして、世界中の組織で広く認知・採用されています。この認証は高い評価を受けており、この認証を持つ個人は求人市場で高い需要があります。この認証は、プロジェクト管理に新しく取り組む個人だけでなく、スキルと知識を向上させたい経験豊富なプロジェクトマネージャーにも適しています。

EXIN PRINCE2 7 Foundation written Exam 認定 PR2F 試験問題 (Q438-Q443):

質問 # 438

Which is a purpose of a project brief?

- A. To define how the achievement of the project's benefits can be measured
- B. To act as a base document which enables the project board to assess progress

- C. To provide a sound basis for project initiation
- D. To provide a description of the means and frequency of communication

正解: C

解説:

<http://www.prince2how2.com/2014/12/prince2-project-brief-template.html>

質問 # 439

Which is a purpose of the 'directing a project' process?

- A. To exercise overall control over the project
- B. To take corrective action to control risks and issues
- C. To update the project plan before the next stage
- D. To do the minimum in order to decide whether the project is feasible

正解: A

解説:

The purpose of the 'Directing a Project' process in PRINCE2 is for the project board to exercise overall control over the project while delegating day-to-day management of the project stages to the Project Manager.

This process includes decision-making on project initiation and continuation, as well as providing overall guidance on policy and standards. References: PRINCE2Foundation Training Manual; PRINCE22017 Foundation handbook.

質問 # 440

Which theme verifies that a project's products are fit for purpose?

- A. Progress
- B. Quality
- C. Business case
- D. Organization

正解: B

解説:

Reference <http://prince2.wiki/Quality>

質問 # 441

Which is an objective of the Starting up a Project process?

- A. Agree how the project will be monitored and controlled after initiation
- B. Agree how issues and changes will be identified, assessed and controlled
- C. Authorize the Project Manager to proceed with the initiation stage
- D. Identify who will be responsible for creating the Project Plan

正解: D

質問 # 442

Identify the missing words in the following sentence. A risk budget is a sum of money included in the [?] and set aside to fund specific management responses to a project's threats and opportunities.

- A. change budget
- B. project's risk tolerance
- C. project budget
- D. project's cost tolerance

正解: C

A risk budget is a specific amount of money set aside within the project budget to address potential threats and opportunities. This allocation is used to fund the specific management responses required to mitigate identified risks. References: PRINCE2 Foundation Training Manual; PRINCE2 2017 Foundation handbook.
