2026 Testpdf最新的C\_TB120\_2504 PDF版考試題庫和C\_TB120\_2504考試問題和答案免費分享：<https://drive.google.com/open?id=1PaHdbDf8b1hPrv70eCBi3AZfo1tkvjG>

在IT領域工作的你，肯定想通過IT 認證考試來證明自己的能力吧？而且，擁有IT 認證資格的同事和朋友也愈來愈多了吧。在這種情況下，如果一個資格都沒有就趕不上別人了。那麼，你決定參加哪個考試呢？SAP的考試怎麼樣呢？比如像C\_TB120\_2504認證考試這樣的考試。這是非常有價值的考試，肯定能幫助你實現你的願望。

## SAP C\_TB120\_2504 考試大綱：

| 主題   | 簡介                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 主題 1 | <ul style="list-style-type: none"><li>Logistics: This domain targets Supply Chain Managers and Operations Specialists and focuses on knowledge of key business processes within sales, purchasing, warehouse management, MRP, production, and customer service in SAP Business One. Candidates describe how to set up logistics, CRM, and service functionalities and demonstrate the ability to perform common logistics tasks efficiently. This domain accounts for approximately 40% of the exam.</li></ul>                                                                                                                      |
| 主題 2 | <ul style="list-style-type: none"><li>Implementation: This section of the exam measures skills of SAP Business One Consultants and Implementation Specialists and covers the use of tools provided in the Implementation Center alongside SAP's implementation methodology to run a successful project. Candidates demonstrate the ability to set up and configure a new SAP Business One company, including initialization settings, customization tools, cockpit analytics, user settings, and authorizations. Compliance with SAP's maintenance policy is also assessed. This domain represents about 30% of the exam.</li></ul> |
| 主題 3 | <ul style="list-style-type: none"><li>Financials: This section measures skills of Financial Controllers and Accounting Specialists regarding business processes related to posting journal entries, payments, reconciliations, fixed assets, cost accounting, and financial and accounting reporting. Candidates learn to set up financial elements such as G</li><li>L account defaults, chart of accounts, currencies, and posting periods. They also demonstrate competence in performing common financial and banking operations. This domain contributes about 30% to the exam.</li></ul>                                      |
