Answer: D

NEW QUESTION # 77

Who should alert the senior responsible owner to any programme issues that will also affect the organization as a whole?

- A. Sponsoring group member
- B. Programme office lead
- C. Programme manager
- D. Business change manager

Answer: A

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

Sponsoring group members are senior stakeholders with a broad organizational perspective. Their role includes advising the SRO and alerting them to strategic risks or issues that may affect the wider organization.

MSP Foundation, 5th Edition explains:

"The sponsoring group supports the SRO and brings organizational knowledge to alert the SRO to any programme issues that also affect the organization as a whole." Thus, the correct answer is B.

NEW QUESTION # 78

Which statement BEST describes the 'check' phase of the Plan Do Check Act cycle when used to manage a risk?

- A. It involves validating whether a risk has been managed effectively or whether further action is needed
- B. It involves understanding the risk tolerances and how it will affect the programme's risk appetite
- C. It is where risk responses are implemented to manage the identified and prioritized risks
- D. It is where initial risk responses that have been implemented are revised to reflect current priorities

Answer: A

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

The 'Check' phase in the Plan Do Check Act cycle focuses on reviewing and validating the effectiveness of risk responses. It determines whether risks have been adequately managed or if additional measures are required. This phase ensures ongoing oversight and adjustment of risk management activities as needed.

According to MSP Foundation, 5th Edition (Governance Themes - Risk Management):

"The 'Check' phase involves monitoring and reviewing risk management activities to ensure that risks are being controlled effectively, and deciding if further actions are necessary." References:
