NEW QUESTION # 161
What is the collective name for individuals or groups who may be affected by a project?

- A. Stakeholders
- B. Customers
- C. Team members
- D. Project Support

Answer: A

Explanation:
In PRINCE2, the collective name for individuals or groups who may be affected by or can influence a project is "Stakeholders." This includes a wide range of people such as customers, users, team members, and suppliers, each of whom has an interest in the project's successful execution and outcomes. References:

NEW QUESTION # 162
The project board needs to review whether the investment remains justified as the project progresses according to plan.
Which principle is being applied by the 'business case' practice when the project board undertakes this review?

- A. Manage by stages
- B. Tailor to suit the project
- C. Focus on products
- D. Manage by exception

Answer: A

Explanation:
When the project board reviews whether the investment remains justified as the project progresses, this application of the 'manage by stages' principle is evident. This principle ensures that at the end of each stage, the project board reassesses the business case and the viability of the project before deciding to continue with the next stage.References: PRINCE2 7 Foundation resources on the 'manage by stages' principle.
