

ArcGIS Enterprise System Design Professional 2025 exam training solutions & ESDP_2025 latest practice questions & ArcGIS Enterprise System Design Professional 2025 free download material

Our APP version of ESDP_2025 exam questions can support almost any electronic device, from iPod, telephone, to computer and so on. You can use Our ESDP_2025 test torrent by your telephone when you are travelling far from home; I think it will be very convenient for you. You can also choose to use our ESDP_2025 Study Materials by your computer when you are at home. You just need to download the online version of our ESDP_2025 study materials, which is not limited to any electronic device and support all electronic equipment in anywhere and anytime.

Esri ESDP_2025 Exam Syllabus Topics:

Section	Weight	Objectives
Topic 1: Solution Architecture	26%	- Workflow design for GIS applications • 1. Identify ArcGIS components required in the design • 2. Identify ArcGIS Server roles and extensions - ArcGIS Enterprise integration with external environments • 1. Identify appropriate Data Store types • 2. Determine authentication methods based on business needs - Custom application and API support • 1. Adjust architectural solution to meet specific constraints

Topic 2: Deployment and Troubleshooting	14%	- Component connection diagnostic isolation • 1. Data Store hosting server registration issues • 2. Portal loading configuration faults - System installation validation
Topic 3: Physical Architecture	35%	- Infrastructure planning and compute sizing • 1. Cloud-native platform integration • 2. On-premises environment constraints - High availability and disaster recovery layouts • 1. Active-passive configuration metrics • 2. Active-active workload balancing parameters - Network design and routing integration • 1. Reverse proxy structures • 2. Load balancing mechanisms
Topic 4: Architectural Concepts	25%	- Scalability baseline definitions - Performance optimization principles • 1. Service tuning standards • 2. Caching tier mechanics - System security defense mechanisms • 1. Data tier protection protocols • 2. Identity management configurations

Interactive Esri ESDP_2025 Course & ESDP_2025 Valid Test Objectives

Candidates who are preparing for the Esri exam suffer greatly in their search for preparation material. You won't need anything else if you prepare for the exam with our Esri ESDP_2025 Exam Questions. Our experts have prepared ArcGIS Enterprise System Design Professional 2025 with dumps questions that will eliminate your chances of failing the exam.

Esri ArcGIS Enterprise System Design Professional 2025 Sample Questions (Q62-Q67):

NEW QUESTION # 62

Which ArcGIS Server role supports running Python-based automation workflows within ArcGIS Enterprise?

- A. Image Server
- B. GeoAnalytics Server
- C. Notebook Server

Answer: C

NEW QUESTION # 63

Which backup strategy is recommended for a large enterprise portal with frequent content updates?

- A. Nightly incremental WebGIS DR backups
- B. Snapshot the portal machine occasionally
- C. Monthly manual exports only

Answer: A

NEW QUESTION # 64

When selecting authentication for a public-facing Portal, what option allows anonymous access to shared maps while securing internal content?

- A. Disabling portal authentication
- **B. Public content sharing permissions**
- C. Token-only access

Answer: B

NEW QUESTION # 65

Which method provides geographic proximity for users worldwide while minimizing latency?

- **A. Deploy multiple regional ArcGIS Enterprise sites with DNS-based routing**
- B. Use one portal and increase timeout values
- C. Host all services in a single data center

Answer: A

NEW QUESTION # 66

A deployment includes two ArcGIS Server sites serving map and geoprocessing services. What design choice improves performance isolation?

- A. Use a single shared Data Store
- B. Combine both roles into one site
- **C. Assign each role to separate ArcGIS Server sites**

Answer: C

NEW QUESTION # 67

.....

These Esri ESDP_2025 practice tests simulate the real ArcGIS Enterprise System Design Professional 2025 (ESDP_2025) exam pattern, track your progress, and help you overcome mistakes. Our ArcGIS Enterprise System Design Professional 2025 (ESDP_2025) desktop software is compatible with Windows. Whereas, the web-based Esri ESDP_2025 Practice Exam works online on iOS, Linux, Android, Windows, and Mac. Additionally, the web-based ArcGIS Enterprise System Design Professional 2025 (ESDP_2025) practice exam is also compatible with MS Edge, Internet Explorer, Opera, Firefox, Safari, and Chrome.
