CIMA F3 Financial Strategy Sample Questions (Q169-Q174):

NEW QUESTION # 169

A large multi-divisional company in the food processing and distribution business is conducting a strategic review. The divisions all compete in the same market.

The sale of one of its underperforming food processing divisions to the divisional management team is currently being considered. The purchase by the divisional management team will require venture capital finance.

Which THREE of the following are likely to influence the multi-divisional company's decision on whether or not to sell the underperforming division to the management team?

- A. The specific conditions imposed on the management team by the venture capital provider.
- B. The divisional management team has detailed confidential information about the operation of the other divisions.
- C. The divisional management team has skills and experience that are important for the future successful operation of other divisions.
- D. The ability of the management team to raise the finance required to complete the purchase of the division at a reasonable price.
- E. The quality of the management team and its ability to manage the divested division successfully.

Answer: B,C,D

NEW QUESTION # 170

Company YZZ has made a bid for the entire share capital of Company ZYY

Company YZZ is offering the shareholders in Company ZYY the option of either a share exchange or a cash alternative. Which THREE of the following would be considered disadvantages of accepting the cash consideration for the shareholders of Company ZYY?

- A. Interest rates on deposit accounts are currently at an historic low and are expected to remain low
- B. Taxation is payable on realised capital gains.
- C. There will be no opportunity to participate in the future economic success of Company YZZ
- D. Cash consideration is certain whereas Company YZZ's future share price performance is uncertain
- E. Company YZZ Is not expected to change *s dividend policy post-acquisition

Answer: A,B,C

Explanation:

Disadvantages of accepting cash for ZYY's shareholders:

- A). Low interest rates - cash reinvested in deposits earns little.
- B). Capital gains tax is crystallised on disposal.
- E). No chance to share in YZZ's future growth once they've taken cash.

C and D are not disadvantages of cash (D is actually an advantage: certainty).
