1Z0-947 Exam Dumps Provider - Latest 1Z0-947 Dumps Pdf

The former customers who bought Oracle 1Z0-947 training materials in our company all are impressed by the help as well as our after-sales services. That is true. We offer the most considerate after-sales services on our Oracle 1Z0-947 Exam Questions for you 24/7 with the help of patient staff and employees. They are all professional and enthusiastic to offer help.

Oracle GoldenGate 19c Implementation Professional Sample Questions (Q71-Q76):

NEW QUESTION # 71

You made changes to the GLOBALS parameter file using an editor on the OS. After saving your changes, you noticed the changes did not take effect. What would be the reason for this?

- A. You did not make changes on the OS logged in as the GoldenGate Administrator user.

- B. You did not restart GGSCI.
- C. You did not MGR so the changes can take effect.
- D. You did not stop all replication processes running in so the changes can take effect.

Answer: B

Explanation:

This is because GLOBALS parameters are read only at GGSCI startup, unlike other dynamic parameter files (e.g., Extract or Replicat configs). ?? So without restarting GGSCI, your changes won't be recognized.

NEW QUESTION # 72

Replicat Abends with the message "Missing KEYNAME specification". Which parameter is the cause for this condition?

- A. DECRYPTTRAIL AES128, KEYNAME
- B. DECRYPTTRAIL
- C. According to Oracle's documentation, DECRYPTTRAIL requires both an encryption algorithm (e.g., AES128) and a KEYNAME clause. If KEYNAME is omitted (as in Option B), Replicat throws the "Missing KEYNAME specification" error.
- D. DECRYPTTRAIL AES128, KEYNAME RepKey

Answer: C

NEW QUESTION # 73

What detailed information does the Network Statistics tab of the Receiver Server provide for the Data Path configured?

- A. The host of the sender and the Distribution Path
- B. The total write time
- C. The IP Address of the sender and the Distribution Path
- D. The transfer network protocol

Answer: A

Explanation:

The Network Statistics tab in the Receiver Server UI displays details about the host of the sender and the configured Distribution Path, which helps in monitoring and troubleshooting replication data flow paths in Oracle GoldenGate Microservices.

NEW QUESTION # 74

You can create a macro library that contains one or more macros. By using a macro library, you can define a macro once and use it again and again. What is true about macro libraries?

- A. You can invoke the macros in a library only one time in COLMAP in the Replicat parameter file.
- B. You can share the macros across parameter files.
- C. You can either have the Extract or the Replicat in the same GoldenGate Home invoke the macros in the library but not from with both Extract and Replicat.
- D. If a macro is defined in a macro library, you may only call that macro once in a parameter file.

Answer: B

Explanation:

Macro libraries in Oracle GoldenGate allow you to define reusable macros and share them across multiple parameter files, improving consistency and reducing duplication in Extract and Replicat configurations.

NEW QUESTION # 75

What is the key purpose of GoldenGate trail files?

- A. They are checkpoint files for the GoldenGate processes.
- B. They are configuration files for the GoldenGate processes.

- C. They are a persistent storage area for captured transactions.
- D. They are database auditing logs in which GoldenGate registers changes.

Answer: C

Explanation:

"A trail is a series of files on disk where Oracle GoldenGate stores the captured changes to support the continuous extraction and replication of database changes." This makes trail files the persistent buffer between Extract and Replicat processes, decoupling them and improving fault tolerance and performance.

NEW QUESTION # 76

.....

There are many advantages of our 1Z0-947 pdf torrent: latest real questions, accurate answers, instantly download and high passing rate. You can totally trust our 1Z0-947 practice test because all questions are created based on the requirements of the certification center. Latest 1Z0-947 Test Questions are verified and tested several times by our colleagues to ensure the high pass rate of our 1Z0-947 study guide.
