PRAXIS Praxis Business Education: Content Knowledge (5101) Exam Sample Questions (Q97-Q102):

NEW QUESTION # 97

During the interview of a new teacher for a job, the principal says, "Tell me a little about yourself." Which of the following types of questions best describes the dialogue?

- A. Motivational
- **B. Open-ended**
- C. Behavioral
- D. Closed-ended

Answer: B

Explanation:

An open-ended question allows for a broad, narrative response, encouraging the interviewee to provide detailed information. "Tell me a little about yourself" invites a comprehensive answer, fitting the open-ended category. Option A (closed-ended) refers to questions with specific, limited responses (e.g., yes/no). Option C (motivational) is not a standard interview question type. Option D (behavioral) asks for specific past experiences (e.g., "Describe a time when..."). This question falls under the Communication and Career Development category, focusing on interview techniques.

NEW QUESTION # 99

Which of the following is an example of a primary source?

- A. Studying a journal article
- B. Searching a website
- C. Reading a book

- **D. Conducting an interview**

Answer: D

Explanation:

A primary source provides firsthand information or original data, such as an interview, where the information comes directly from the source. Option A (journal article) is typically a secondary source, as it analyzes or interprets primary data. Option B (book) is usually secondary, unless it is an autobiography or original document. Option D (website) can contain primary or secondary information but is not inherently primary.

Conducting an interview directly gathers original data, making it a primary source. This question aligns with the Communication and Career Development category, emphasizing research and communication skills.

NEW QUESTION # 100

At the close of a fiscal period, the Prepaid Insurance Account shows a debit balance of \$600, and an examination of entries in the Insurance Register shows \$500 as expired insurance. Which of the following is the appropriate adjusting entry to be made as a part of the adjusting process?

- A. Debit Insurance Expense \$500, credit Income and Expense Summary \$500
- B. Debit Prepaid Insurance \$100, credit Insurance Expense \$100
- **C. Debit Insurance Expense \$500, credit Prepaid Insurance \$500**
- D. Debit Insurance Expense \$100, credit Prepaid Insurance \$100

Answer: C

Explanation:

Prepaid insurance represents insurance paid in advance, recorded as an asset. At the end of the fiscal period, the portion that has expired (\$500) must be recognized as an expense. The adjusting entry reduces the Prepaid Insurance account (asset) by crediting it and increases the Insurance Expense account by debiting it for the expired amount. Thus, the correct entry is: Debit Insurance Expense \$500, Credit Prepaid Insurance \$500.

Option A incorrectly adjusts for \$100, which is the remaining prepaid amount. Option B reverses the accounts and amounts incorrectly. Option C involves the Income and Expense Summary, which is not relevant for this adjustment. This question tests adjusting entries, a key concept in the Accounting and Finance category.

NEW QUESTION # 101

Which of the following is the best reason for completing a career assessment?

- A. It defines significant industry trends.
- B. It ensures a career in a high-demand field.
- **C. It reduces the chance of making a poor career choice.**
- D. It guarantees the correct career path.

Answer: C

Explanation:

A career assessment helps individuals identify their interests, skills, and values, reducing the likelihood of choosing an unsuitable career by providing informed guidance. Option A is incorrect, as no assessment guarantees a career path. Option B (industry trends) is not the primary focus of career assessments. Option C (high-demand field) is not ensured, as assessments prioritize fit over demand. This question falls under the Communication and Career Development category, focusing on career planning.
