## 300-820 Latest Test Guide, Reliable 300-820 Dumps Book

Do not waste further time and money, get real Cisco 300-820 pdf questions and practice test software, and start 300-820 test preparation today. Test4Engine will also provide you with up to 365 days of free exam questions updates. Free demo of 300-820 Dumps PDF allowing you to try before you buy and one-year free update will be allowed after purchased.

**Cisco Implementing Cisco Collaboration Cloud and Edge Solutions Sample Questions (Q133-Q138):**

### NEW QUESTION # 133

Refer to the exhibit.

Which inbound connection should an administrator configure on the outside firewall?

- A. Media: UDP 36000 to 36011
- B. XMPP TCP 5222
- C. HTTPS (tunneled over SSH between C and E): TCP 2222
- **D. SIP TCP 5061**

**Answer: D**

### NEW QUESTION # 134

Cisco Expressways are being deployed for Mobile and Remote Access. The Expressway-E internal interface (LAN1) IP is 192.168.100.10/24, and the external interface (LAN2) IP is 172.16.100.10/24.

The Expressway-C IP is 192.168.20.10/24. The default gateway for each subnet is the first useable address. How must the Expressway-E be configured to allow proper routing to the internal and external networks?

- A. IPv4 gateway: 192.168.100.1, and a static route for the 192.168.20.0/24 subnet using LAN1
- B. IPv4 gateway: 172.16.100.1, and a static route for the 192.168.100.0/24 subnet using LAN1
- **C. IPv4 gateway: 172.16.100.1, and a static route for the 192.168.20.0/24 subnet using LAN1**
- D. IPv4 gateway: 192.168.100.1, and a static route for the 172.16.100.0/24 subnet using LAN2

**Answer: C**

### NEW QUESTION # 135

A company is installing Cisco Collaboration infrastructure and one of the requirements is that they must be able to communicate with many external parties that are using H.323 and SIP. Internally they want to register the endpoints only on SIP.

Which functionality would describe the feature that needs to be enabled and where to achieve this?

- A. Interworking in Cisco Unified Communications Manager
- B. Transcoding in Expressway-C
- C. Transcoding in Cisco Unified Communications Manager
- **D. Interworking in Expressway-C**

**Answer: D**

Explanation:

Interworking - interworking is required on expressway series to interwork H.323 to SIP calls.

CUCM is SIP only and does not support H.323 calls. Inteworking for B2B calls is always done at expressway level.

### NEW QUESTION # 136

An administrator is deploying Cisco Expressways for Mobile and Remote Access. The registration domain is "example.com", and the Expressway-E FQDN is "expe.example.com". Cisco Jabber clients on the internet cannot discover services via DNS lookup.

Which SRV records must be configured in the public DNS to allow Service Discovery?

- A. \_cisco-uds\_tcp.example.com
- B. \_cisco-uds\_tcp.expe.example.com
- **C. \_collab-edge\_tls.example.com**
- D. \_collab-edge\_tls.expe.example.com

**Answer: C**

### NEW QUESTION # 137

The Cisco Webex Hybrid Message service is deployed geographically for separate Cisco Unified IM and Presence clusters.

What must be configured in the Cisco Webex Control Hub to achieve this deployment?

- A. verified domains
- **B. resource groups**
- C. geo-locations
- D. distributed DNS

**Answer: B**

Explanation:

You can use Resource Groups in Control Hub to define your organization's geography, and then assign Expressway resources to different resource groups that represent locations.

The set of users you assign to each resource group should correspond to the users in all IM and Presence Service clusters served by the Expressways in those resource groups.

### NEW QUESTION # 138

• • • • •

The Implementing Cisco Collaboration Cloud and Edge Solutions exam dumps are designed efficiently and pointedly, so that users can check their learning effects in a timely manner after completing a section. Good practice on the success rate of 300-820 quiz guide is not fully indicate that you have mastered knowledge is skilled, therefore, the 300-820 test material let the user consolidate learning content as many times as possible, although the practice seems very boring, but it can achieve the result of good consolidate knowledge.
