Cisco Renewals Manager Sample Questions (Q27-Q32):

NEW QUESTION # 27

What is the Cisco Services Partner Program (CSPP) objective?

- A. allows the partner to focus on recurring revenue while earning performance-based incentives C eliminates all barriers throughout the customer lifecycle
- B. trains partners to develop and sell their own independent services without any backing from Cisco
- C. maximizes Cisco's profits by requiring partners to sell only Cisco-branded services

Answer: A

NEW QUESTION # 28

Which licensing model is the most complex for a customer to manage?

- A. Managed service agreement
- B. Enterprise agreement
- C. Subscription
- D. A La Carte

Answer: D

Explanation:

A La Carte licensing model is the most complex for a customer to manage because it requires the customer to purchase and activate individual licenses for each product and feature they want to use. This can result in a large number of licenses to track and renew, as well as compatibility issues between different products and versions. A La Carte licensing also does not provide the benefits of Cisco's Software Buying Programs, such as financial predictability, access to incentives, and subscription co-termination.
