

# D-VXR-DY-23 Study Dumps & Certificate D-VXR-DY-23 Exam

P.S. Free & New D-VXR-DY-23 dumps are available on Google Drive shared by Easy4Engine: <https://drive.google.com/open?id=1ReVYK7ro90SGI6mn1QprR6q43vvalNza>

Quitters never win and winners never quit. If you are determined to clear D-VXR-DY-23 exam and obtain a certification you shouldn't give up because of one failure. If you are willing, our EMC D-VXR-DY-23 valid exam simulations file can help you clear exam and regain confidence. Every year there are thousands of candidates choosing our products and obtain certifications so that our D-VXR-DY-23 valid exam simulations file is famous for its high passing-rate in this field. If you want to pass exam one-shot, you shouldn't miss our files.

## EMC D-VXR-DY-23 Exam Syllabus Topics:

| Section                                               | Weight | Objectives                                                                                                                                                                                                                                                                                                                            |
|-------------------------------------------------------|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Topic 1: VxRail Post-Deployment Procedures            | 10%    | <ul style="list-style-type: none"><li>- Post-deployment validation and health checks</li><li>- System information and support assist</li><li>- VxRail Manager operations and monitoring</li></ul>                                                                                                                                     |
| Topic 2: VxRail Deployment Procedures                 | 35%    | <ul style="list-style-type: none"><li>- Stretch cluster deployment</li><li>- Initial setup wizard and configuration</li><li>- VxRail cluster deployment using the VxRail Manager</li><li>- Network configuration and verification</li><li>- vCenter Server integration</li><li>- vSAN configuration and disk group creation</li></ul> |
| Topic 3: VxRail Cluster Expansion and Management      | 15%    | <ul style="list-style-type: none"><li>- Adding nodes to an existing VxRail cluster</li><li>- Cluster resource management</li><li>- Maintenance mode and node shutdown procedures</li><li>- vSAN datastore expansion</li></ul>                                                                                                         |
| Topic 4: VxRail Deployment Planning and Prerequisites | 30%    | <ul style="list-style-type: none"><li>- VxRail Manager prerequisites</li><li>- Pre-installation validation checklist</li><li>- vCenter Server deployment options</li><li>- DNS and NTP requirements</li><li>- VxRail network planning (management, vMotion, vSAN, VM networks)</li></ul>                                              |
| Topic 5: VxRail Physical Components                   | 5%     | <ul style="list-style-type: none"><li>- Rack sizing and cabling considerations</li><li>- VxRail hardware platforms and configurations</li><li>- Network topologies and requirements</li></ul>                                                                                                                                         |

**Certificate D-VXR-DY-23 Exam, D-VXR-DY-23 Valid Real Test**

To succeed on the EMC D-VXR-DY-23 exam, you require a specific EMC D-VXR-DY-23 exam environment to practice. But before settling on any one method, you make sure that it addresses their specific concerns about the D-VXR-DY-23 exam, such as whether or not the platform they are joining will aid them in passing the Dell VxRail Deploy 2023 (D-VXR-DY-23) exam on the first try, whether or not it will be worthwhile, and will it provide the necessary D-VXR-DY-23 Questions.

## EMC Dell VxRail Deploy 2023 Sample Questions (Q73-Q78):

### NEW QUESTION # 73

Which service determines the primary node after powering on the VxRail nodes during the deployment of a VxRail cluster?

- A. Mystic
- B. Marvin
- C. Loudmouth
- D. Election

**Answer: D**

Explanation:

Text Description automatically generated

**VxRail Election Service**

The VxRail **election** service runs on all the VxRail nodes. The **election** process elects one node to host the VxRail Manager VM. This host is the primary node, the VxRail Manager VM gets powered on automatically. VxRail Manager serves the **VxRail Deployment Wizard** for the VxRail initialization - <https://192.168.10.200>.

If the network is configured properly, after all the nodes have been powered on:

- The VxRail **election** process determines which node hosts VxRail Manager

### NEW QUESTION # 74

How many nodes can be added simultaneously to an existing VxRail cluster running at code version 4.5?

- A. 0
- B. 1
- C. 2
- D. 3

**Answer: C**

### NEW QUESTION # 75

A company has recently implemented a popular data center monitoring and reporting software solution. They plan to use the solution to consolidate reporting into a single platform.

What is an expected benefit of programmatically gathering VxRail information?

- A. Automate iDRAC firmware management and status
- B. Perform pre-checks for vSAN health
- C. Obtain status of all running operations on a cluster
- D. Perform node shutdowns and specific operations

**Answer: C**

### NEW QUESTION # 76

A VxRail cluster is being deployed with an external vCenter Server.

What role needs to be assigned to the new VxRail Management User account within vCenter?

- A. Trusted Infrastructure Administrator
- B. Administrator
- C. Read-only
- D. No specific role

**Answer: D**

#### NEW QUESTION # 77

Which two files are used to automate VxRail deployment and validate the network configuration?

- A. VxRail Test Plan  
SPEQ
- B. Appliance JSON file  
SPEQ
- C. VxRail Configuration Portal  
PEQ data file
- D. Appliance JSON file  
PEQ data file

**Answer: D**

#### NEW QUESTION # 78

.....

Most people are nervous and anxious to take part in the D-VXR-DY-23 exam for the first time. Then it is easy for them to make mistakes. So it is important to get familiar with the real test environment. Also, the real test environment of the D-VXR-DY-23 Study Materials can help you control time. After all, you must submit your practice in limited time in D-VXR-DY-23 practice materials. Trust in our D-VXR-DY-23 training guide, and you will get success for sure.
