PRINCE2 Practitioner Exam Sample Questions (Q199-Q204):

NEW QUESTION # 199

Which 2 alternative actions apply to the proposed Senior User for this project?

- A. Retain because he provides the outsourcing resources required to support the project.
- B. Add 'Hardware Manager' because he provides computer hardware to all business functions and will be impacted by the outcome.
- C. Replace with 'Director of Research and Development' because she deals with both the Information Technology and the Facilities Divisions and can make sure her division's needs are specified.
- D. Remove because he has no authority to commit user resources.
- E. Retain because he will be providing support to the Information Technology and Facilities teams during the project.

Answer: C,D

NEW QUESTION # 200

Scenario

Product Summary

A list of customers will be collated. This will use existing information from the Accounts department about current customers, and existing information from the Marketing department about prospective customers.

Using the tariff of mailing costs available from the Post Office, a production cost forecast will be produced to allow the CEO and the Marketing Director to decide whether to continue with the project. If they decide to continue, they will give the approval to launch the internal label design competition. Competition rules will be required to communicate details of the competition to the staff. The chosen label design will then be selected from the competition entries.

The photos for the calendar must be based on existing photo design ideas available from the Marketing department. The selected photos will be chosen from these. Monthly calendar displays will be created to show the required layout of each page.

Product Breakdown Structure (contains errors)

□ Extract from Stage Plan for stage 3.

(All entries are true statements but may not be shown under the correct heading or in the correct document).

□ Using the Project Scenario and the Extract from Stage Plan for stage 3 provided as additional information for this question in the Scenario Booklet, answer the following 5 questions.

The Stage Plan for stage 3 has been produced.

The Engineering Manager insists that there are to be no interruptions to operations whilst photographs are being taken of the engineering staff performing their everyday duties and operating machinery. Two weeks ago the professional photographer produced the photo session schedule based on the operational staff schedule. The operational staff schedule is produced weekly and maintained by the Engineering Manager.

None of the £500 change budget has been used to date and this is available for the stage.

Which 2 statements apply to the External dependencies section?

- A. Delete entry 7 because it should be shown in the Product Description for the label design.
- B. Delete entry 5 because the new company logo is being delivered by a separate project and will be detailed in the plans for that project.
- C. Delete entry 6 because the customer details were used in stage 2 to create the customer list.
- D. Move entry 5 to Plan description because the new company logo will be delivered during stage 3.
- E. Move entry 5 to Plan prerequisites because the new company logo will influence the label designs.

Answer: A,C

NEW QUESTION # 201

In order for ABC Company to achieve the expected sales of the health and safety training course, the senior user will need to ensure that all staff understand the objectives and target audience for the course. In addition, these sales will need to be added to each individual's sales targets. These activities have been included in the benefits management approach.

Is this appropriate, and why?

- A. No, because the expected sales increase should be recorded in the business case.
- B. Yes, because the actions required to achieve the outcomes need to be documented.
- C. No, because actions to deliver the outputs should be recorded in the stage plan.
- **D. Yes, because how the benefits will be measured needs to be documented.**

Answer: D

NEW QUESTION # 202

The 'capability to provide health and safety training' has been delivered.
