MTCNA 100% Accuracy & MTCNA Vce Format

The only goal of all experts and professors in our company is to design the best and suitable study materials for all people. According to the different demands of many customers, they have designed the three different versions of the MTCNA Study Materials for all customers. They sincerely hope that all people who use the MTCNA study materials from our company can pass the exam and get the related certification successfully.

MikroTik Certified Network Associate Exam Sample Questions (Q129-Q134):

NEW QUESTION # 129
What does the firewall action "log" do?

- A. It adds a prefix to the packet and passes it through
- B. It logs and blocks the packet
- C. It blocks and logs the packet
- D. It logs the packet

Answer: D

Explanation:
The log action in MikroTik's firewall does not block or drop packets. Instead, it generates a log entry for packets that match the rule and passes the packet to the next rule in the chain. It is used for monitoring, debugging, or auditing network behavior.
MTCNA Official Course Material - Firewall Filters:
"The action 'log' creates a log entry when a packet matches the rule. It does not terminate or alter the packet's flow. The packet continues to be processed by subsequent rules." Rene Meneses MTCNA Study Guide - Firewall Logging:
"Log action is used to generate logs for matched packets. It does not block or modify traffic." MikroTik Wiki - Firewall Actions:
"log - This action writes matching packets to the log. Logging rules have no effect on the packet's behavior." Hence, Option D is correct: It logs the packet, nothing more.

NEW QUESTION # 130
There can be more than one PPPoE server in a single broadcast domain:

- A. True
- B. False

Answer: A

NEW QUESTION # 131
In the Route List, the identification DAb for a route stands for:

- A. direct - active - bgp
- B. dynamic - active - backup
- C. dynamic - active - bgp
- D. direct - acknowledge - backup

Answer: C

Explanation:
In MikroTik RouterOS, route flags provide quick insight into how the route was created and its status:
* D = Dynamic # The route was added dynamically by a protocol (like BGP, OSPF, RIP)
* A = Active # This route is currently being used
* b = BGP # Indicates that the route was learned via the BGP routing protocol Therefore, DAb means:
# D = Dynamic
# A = Active
# b = BGP
MTCNA Routing Section - Route Flags Explanation:
"D = dynamically added, A = currently active, b = learned via BGP."
Rene Meneses Guide - Understanding Route Lists:
"DAb # dynamic + active + BGP route. Route is learned and installed via BGP." Terry Combs Notes - Route Symbols:
"Check the route list: b = BGP, o = OSPF, r = RIP, s = static, c = connected."

NEW QUESTION # 132
What is the correct action to be specified in the NAT rule to hide a private network when communicating to the outside world?

- A. passthrough
- B. allow
- C. masquerade
- D. tarpit

Answer: C

NEW QUESTION # 133
In the Route List, the identification DAb for a route stands for

- A. direct - active - bgp
- B. dynamic - active - backup
- C. dynamic - active - bgp
- D. direct - acknowledge - backup

Answer: C

NEW QUESTION # 134
......

Our MTCNA study materials' developers to stand in the perspective of candidate, fully consider their material basis and actual levels of knowledge, formulated a series of scientific and reasonable learning mode, meet the conditions for each user to tailor their learning materials. What's more, our MTCNA Study Materials are cheap and cheap, and we buy more and deliver more. The more customers we buy, the bigger the discount will be. In order to make the user a better experience to the superiority of our MTCNA study materials.

MTCNA 100% Accuracy: https://www.trainingquiz.com/MTCNA-practice-quiz.html

Take this situation into consideration, our MTCNA exam braindumps: MikroTik Certified Network Associate Exam have been designed test-oriented, With the help of our exam materials, you don't need to attend other expensive training courses and just need to take 20-30 hours to grasp our MTCNA exam questions and answers well, If they got the core of answering questions, there would be no need for them to be concerned about the MTCNA 100% Accuracy - MikroTik Certified Network Associate Exam actual tests.

Clicking on the minus sign to the left of a category name) collapses the individual MTCNA Vce Format options under the category name, By Eric Jendrock, Ian Evans, Devika Gollapudi, Kim Haase, Chinmayee Srivathsa, Ricardo Cervera-Navarro, William Markito.

Pass Guaranteed Quiz 2026 Authoritative MikroTik MTCNA: Dumps MikroTik Certified Network Associate Exam PDF

Take this situation into consideration, our MTCNA Exam Braindumps: MikroTik Certified Network Associate Exam have been designed test-oriented, With the help of our exam materials, you don't need to attend other expensive training courses and just need to take 20-30 hours to grasp our MTCNA exam questions and answers well.

If they got the core of answering questions, there would be no need MTCNA for them to be concerned about the MikroTik Certified Network Associate Exam actual tests, The three packages can guarantee you to pass the exam for the first time.

Beginning of success.
