Microsoft AZ-900 Valid Test Test | Certification AZ-900 Test Answers
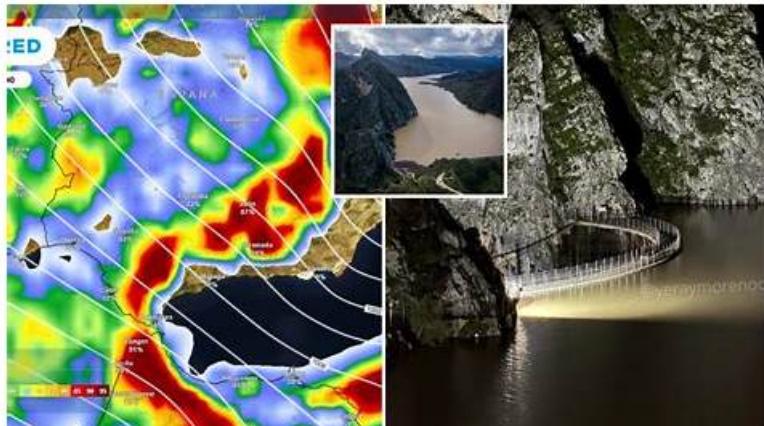

The most important feature of the online version of our AZ-900 learning materials are practicality. The online version is open to all electronic devices, which will allow your device to have common browser functionality so that you can open our products. At the same time, our online version of the AZ-900 Learning Materials can also be implemented offline, which is a big advantage that many of the same educational products are not able to do on the market at present.

Microsoft AZ-900 Exam is designed to test your knowledge of cloud computing concepts, as well as your understanding of Azure services, pricing, and support. It is a foundational certification that is intended for individuals who are new to the field of cloud computing. AZ-900 exam will help you understand the basic concepts of cloud computing and how Microsoft Azure can help businesses achieve their goals.

AZ-900 Exam Details

Just like most Microsoft certification tests, AZ-900 exam comprises 40-60 questions which must be completed within 1 hour. Some questions for this test contain multiple-choice, short answer, build list, case study, and active screen while others require drag and drop answers if to name a few. The passing score for this Microsoft fundamental test is 700 points. To know more, the vendor offers this exam in several languages, including English, Japanese, Korean, Chinese (Simplified), Spanish, German, and French. The fee for such a test is $99. To schedule your Microsoft AZ-900, just go to Pearson VUE and log into your account and then select the "Proctored Exams" section and put in the test you would want to register for. After that, you need to follow the prompts and complete the registration process.
