Maryland Insurance Administration Maryland Accident and Health or Sickness Producer Series 20-24 Exam Sample Questions (Q23-Q28):

NEW QUESTION # 23

Disability income insurance premiums are a deductible expense when the premiums are paid by:

- A. A partnership for group disability income coverage for the partners
- B. An employee for group disability income coverage
- C. An insured for individual disability income coverage
- **D. A corporation for group disability income coverage for the employees**

Answer: D

Explanation:

Under IRC § 162, premiums paid by a corporation for group disability coverage for employees are deductible as a business expense, with benefits taxable to employees. Partnerships can't deduct for partners (owners), individual premiums aren't deductible (IRC § 213), and employee-paid premiums don't qualify unless under specific plans. Maryland follows federal tax treatment.

NEW QUESTION # 24

If an individual's occupation is considered to be illegal:

- **A. It may result in a denial of a disability income claim**
- B. It may require a waiver on a disability income insurance policy
- C. It results in a substandard rating on an accident and health insurance policy
- D. It must be stated as such on an accident and health insurance application

Answer: A

Explanation:

Illegal occupations (Insurance Article, § 12-101) can lead to claim denials if disability arises from illegal acts, per public policy.

Disclosure isn't mandated, waivers don't apply, and ratings adjust risk, not legality.

References: Maryland Insurance Article, § 12-101; MIA claims policies.

NEW QUESTION # 25

In accident and health insurance underwriting, when the risk imposed by an applicant is similar to the risks imposed by most other applicants, the applicant is:

- **A. Charged the standard premium rate**
- B. Required to pay the first year's premium in a lump sum
- C. Declined coverage
- D. Charged an additional premium for the first three years

Answer: A

Explanation:

Standard risk applicants (Insurance Article, § 15-201) receive the standard premium rate, as their risk aligns with the average pool.

Declining coverage or adjusting payment terms applies to higher risks, not standard ones.

References: Maryland Insurance Article, § 15-201; MIA underwriting guidelines.

NEW QUESTION # 26

Coverage for the first three pints of blood for Medicare enrollees is:

- A. A Medicare Part A benefit
- **B. A Medicare Supplement core benefit**
- C. A Medicare Part B benefit
- D. A Medicare Supplement additional benefit

Answer: B

Explanation:

Medicare Part A excludes the first three pints of blood for inpatient care, but Medigap core benefits (Insurance Article, § 15-901) cover this cost across all plans (A-J), making it a standard, not additional, benefit. Parts A and B don't include it directly.

References: Maryland Insurance Article, § 15-901; CMS Medicare guidelines.

NEW QUESTION # 27

A disability income insurance policy typically provides coverage for disabilities resulting from:

- **A. Both accidents and sickness**
- B. Sickness only
- C. Occupational accidents only
- D. Accidents only

Answer: A

Explanation:

Disability income policies (Insurance Article, § 15-201) cover both accidents and sickness, providing broad income protection, not limited to one cause or occupational incidents.

References: Maryland Insurance Article, § 15-201; MIA disability standards.
