ISQI CTAL-TAE Exam Experience, CTAL-TAE Practice Test

Many people are difficult in getting the CTAL-TAE certification successfully. If you also have trouble in passing your exam and getting your certification, we think it is time for you to use our iSQI Advanced Level Test Automation Engineer quiz prep. If you choose our study materials and use our products well, we can promise that you can pass the exam and get the CTAL-TAE Certification. Then you will find you have so many chances to advance in stages to a great level of social influence and success. Our CTAL-TAE dumps torrent can also provide all candidates with our free demo, in order to exclude your concerns that you can check our products.

ISQI ISTQB Certified Tester Advanced Level, Test Automation Engineering Sample Questions (Q19-Q24):

NEW QUESTION # 19

The GUI of a Customer Relationship Management (CRM) application has been delivered through internet Explorer with proprietary Active X and Java controls. This implementation enables rich client capabilities, but specific commercial automation tools are necessary to automate test cases at GUI of functional test cases. This is to demonstrate whether a small set of the commercial are able to properly recognize actions taken by a tester when interacting with GUI of the CRM application.

Which of the following scripting techniques would be MOST suitable in this scenario?

- A. Data-driven scripting
- B. Keyword-driven scripting
- C. Linear scripting
- **D. Structure scripting**

Answer: D

NEW QUESTION # 20

Consider the following example of TAS metrics.

Time to execute automated tests

Speed and efficiency of TAS components

Which of the following statements is TRUE?

- A. A and B are both internal TAS metrics
- B. A is an internal TAS metric and B is an external TAS metric
- C. A and B are both external TAS metrics
- **D. A is an external TAS metric and B is an internal TAS metric**

Answer: D

NEW QUESTION # 21

A web application was released into production one year ago, it has regular releases which follow a V-model lifecycle and testing is well-established and fully integrated into the development lifecycle. You have been asked to implement a TAS for the regression test suite. The regression tests have been developed via the GUI and are expected to be run at least four times a month, for each planned release, for the whole operational life of the system (six years). Each screen of the GUI uses several third-party controls which are not compatible with the existing automation solutions. The environment for the automation will be stable, fully controllable and separated from other environments (development, staging, production).

What could be the MOST problematic for this TAS?

- A. Maturity of the test process
- B. Complexity to automate
- C. Frequency of use
- **D. Sustainability of the automated environment**

Answer: D

NEW QUESTION # 22

Consider a TAS associated to dynamically changing software frequent releases. Your goal is to determine the amount of effort required to maintain the automated tests of the regression test suite for each new release of the SUT.

What is the MOST important metric to collect to achieve your goal?

- **A. The number of automated tests which fail because of a single software defect, for each new release of the SUT**
- B. The code coverage achieved with the automated tests, for each new release of the SUT
- C. The number of automated tests requiring maintenance, for each new release of the SUT.
- D. The time it takes to execute all the automated tests, for each new release of the SUT.

Answer: A

NEW QUESTION # 23

Which of the following statements about the reuse of TAS artefacts is TRUE?

- A. Reusable TAS artifacts associated with the definition layer of the TAA include the adaptors to the SUT components and/or interfaces
- **B. Reusable TAS artefacts can include components (or parts of components) associated with different layers of the TAA**
- C. Communications maintenance and improvements for reusing TAS artefacts are mostly addressed during the design of the TAA

- D. To enable reuse of TAS artefacts, a good design for reuse is built into the TAA and to further action are needed during the TAS lifecycle

Answer: B

NEW QUESTION # 24

.....

The more efforts you make, the luckier you are. As long as you never abandon yourself, you certainly can make progress. Now, our CTAL-TAE exam questions just need you to spend some time on accepting our guidance, then you will become popular talents in the job market. As you know, getting a CTAL-TAE certificate is helpful to your career development. At the same time, investing money on improving yourself is sensible. We sincerely hope that you can choose our CTAL-TAE study guide. As the best CTAL-TAE study questions in the world, you won't regret to have them!
