## SAP E\_S4HCON2023 Certification General Information

### SAP E\_S4HCON2023 Certification Exam Preparation

All SAP consultant certifications are available as Cloud Certifications in the Certification Hub and can be booked with product code CER006. With CER006 – SAP Certification in the Cloud, you can take up to six exams attempts of your choice in one year – from wherever and whenever it suits you! Test dates can be chosen and booked individually.

Each specific certification comes with its own set of preparation tactics. We define them as "Topic Areas" and they can be found on each exam description. You can find the number of questions, the duration of the exam, what areas you will be tested on, and recommended course work and content you can reference.

SAP E\_S4HCON2023 Certification exams might contain unscored items that are being tested for upcoming releases of the exam. These unscored items are randomly distributed across the E\_S4HCON2023 certification topics and are not counted towards the final score. The total number of items of an examination as advertised in the Training Shop is never exceeded when unscored items are used.
