What journey activity must be placed at the very beginning of the journey canvas to listen for this signal?

- A. An Event activity
- B. A Read Audience activity
- C. An Audience Qualification activity
- D. A Reaction activity

**Answer: A**

#### NEW QUESTION # 40

A content strategist is creating a standardized email header for a new series of marketing campaigns. This header includes the company logo, a dynamic personalized greeting, and navigation links.

To ensure all teams can easily use this header with absolute consistency in future campaigns, how should they create and deploy it?

- A. Rebuild the header from scratch in the email designer for each marketing campaign.
- B. Save a complete email containing the header as a Content Template.
- C. Create the header as a Content Fragment to be referenced in different emails or templates.
- D. Save the header in an external file and require all users to manually copy and paste the code.

**Answer: C**

#### NEW QUESTION # 41

A marketing specialist is configuring a welcome email and wants to display a personalized hero banner. They want to test three different banner images (A, B, and C) to determine which one drives the highest click-through rate, while also reserving 10% of the audience as a control group that will not receive any of the new images.

In the Campaign's content configuration, how should they set this up?

- A. Create three separate campaigns, each using a different image.
- **B. In a Content Experiment, set up three treatments (A, B, C) and additionally configure a 10% hold-out group.**
- C. In a Content Experiment, set up two treatments (A and B) and use the third image (C) as the default content.
