NEW QUESTION # 294
Which is a purpose of the Quality theme?

- A. Determine the communication needs of the organization's quality assurance function
- B. Establish how the project will ensure that all products created meet their requirements
- C. Establish quality assurance to maintain the quality management system
- D. Identify all the products of the project to ensure the scope has been adequately defined

Answer: B

Explanation:
The primary purpose of the Quality theme in PRINCE2 is to establish and maintain the processes and procedures that will ensure all products created during the project meet the predefined quality requirements.
This includes planning, assurance, and control of quality. The Quality theme focuses on defining and implementing quality standards that the project must adhere to, rather than dealing directly with broader organizational quality assurance or the project scope.
