NEW QUESTION # 84

A property manager is performing a risk assessment of a business continuity plan. What type of plan is a business continuity plan?

- A. Disaster plan
- B. Backup plan
- C. Service plan

- D. Emergency plan

Answer: A

Explanation:

A business continuity plan is a type of disaster plan designed to ensure that essential business functions can continue during and after a major disruption (such as a natural disaster or system failure). It focuses on minimizing downtime and maintaining operations.

NEW QUESTION # 85

When developing a marketing program for a residential or commercial property, analysis of which of the following will be MOST helpful to determine when the leasing team will engage with potential customers?

- A. Interaction points
- B. Base scenario
- C. Market trends
- D. Logo design

Answer: A

Explanation:

Interaction points refer to the various stages and moments where potential customers come into contact with the leasing team or marketing materials (e.g., website visits, property tours, phone inquiries). Analyzing these points helps determine when and how engagement occurs, making it the most useful for planning effective marketing and leasing strategies.
