Core Information about PL-900

The essence of this exam is to test and certify your ability to improve productivity using the Microsoft Power Platform. Consequently, PL-900 gauges your proficiency at defining the business value of Power Platform and identifying its core components, demonstrating the capabilities of Power BI, describing the abilities of Power Apps, and showcasing the knowledge of Power Automate and the business value of Power Virtual Agents. Again, if you're looking to become more proficient in data analysis, this is a great way to begin your journey. Upon passing this exam, you get the Microsoft Certified: Power Platform Fundamentals certification which validates that you are familiar with the fundamentals of the Microsoft Power Platform. Back to PL-900, it is available in English, Spanish, German, Chinese (simplified), French, Korean, and Japanese. The registration fee is $99. The exam consists of 40-60 multiple choice questions to be done in 60 minutes, with the minimum passing grade being 700 points or 70%. One interesting benefit of taking this test is that even if you fail it, the score reports provide an alternative to numerical scores for each section – a bar chart – that can help you interpret your results to ascertain your areas of strengths and weaknesses.
