- **D. Identify the programme**

**Answer: D**

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

The purpose of the "Identify the Programme" process is to establish whether it is justified to proceed- checking if the expected benefits outweigh the required investment of time, cost, and resources. It ensures a clear understanding of scope and justification before committing to full planning. As described in MSP guidance:

"The Identify the Programme process checks that a programme is worth the time and resources needed to plan the programme." This aligns directly with the MSP Transformational Flow, confirming that option D is correct per the official MSP Foundation, 5th Edition documentation.
