

# Realistic Reliable CKA Dumps Free & Leader in Qualification Exams & Authoritative CKA: Certified Kubernetes Administrator (CKA) Program Exam

P.S. Free 2026 Linux Foundation CKA dumps are available on Google Drive shared by DumpExam:  
[https://drive.google.com/open?id=1cHRP-Y4b5b\\_2jDGVBBEp0QVPJJNNumE](https://drive.google.com/open?id=1cHRP-Y4b5b_2jDGVBBEp0QVPJJNNumE)

Just as I have just mentioned, almost all of our customers have passed the exam as well as getting the related certification easily with the help of our CKA Exam Torrent, we strongly believe that it is impossible for you to be the exception. So choosing our Certified Kubernetes Administrator (CKA) Program Exam exam question actually means that you will have more opportunities to get promotion in the near future, at the same time, needless to say that you will get a raise in pay accompanied with the promotion. What's more, when you have shown your talent with Certified Kubernetes Administrator (CKA) Program Exam certification in relating field, naturally, you will have the chance to enlarge your friends circle with a lot of distinguished persons who may influence you career life profoundly.

Will you feel that the product you have brought is not suitable for you? One trait of our CKA exam prepare is that you can freely download a demo to have a try. Because there are excellent free trial services provided by our CKA exam guides, our products will provide three demos that specially designed to help you pick the one you are satisfied. On the one hand, by the free trial services you can get close contact with our products, learn about the detailed information of our CKA Study Materials, and know how to choose the different versions before you buy our products. On the other hand, using free trial downloading before purchasing, I can promise that you will have a good command of the function of our CKA exam prepare. According to free trial downloading, you will know which version is more suitable for you in advance and have a better user experience.

## First-hand Linux Foundation Reliable CKA Dumps Free: Certified Kubernetes Administrator (CKA) Program Exam - CKA Valid Exam Tips

Our CKA Study Guide is famous for its instant download, we will send you the downloading link to you once we receive your payment, and you can down right now. Besides the CKA study guide is verified by the professionals, so we can ensure that the quality of it. We also have free update, you just need to receive the latest version in your email address. If you don't have it, you can

check in your junk mail or you can contact us.

## Linux Foundation Certified Kubernetes Administrator (CKA) Program Exam Sample Questions (Q10-Q15):

### NEW QUESTION # 10

Score: 4%

□

Task

Scale the deployment presentation

**Answer:**

Explanation:

See the solution below.

Explanation

Solution:

kubectl get deployment

kubectl scale deployment.apps/presentation --replicas=6

### NEW QUESTION # 11

List all the pods showing name and namespace with a json path expression

**Answer:**

Explanation:

kubectl get pods -o=jsonpath="{.items[\*]['metadata.name', 'metadata.namespace']}"

### NEW QUESTION # 12

You are setting up a persistent volume to host a MySQL database, but you want to ensure data consistency and availability. You have multiple nodes in your Kubernetes cluster. Describe the volume mode, access mode, and reclaim policy you would use for this volume.

**Answer:**

Explanation:

See the solution below with Step by Step Explanation.

Explanation:

Solution (Step by Step) :

1. Volume Mode: For a MySQL database, you would use the "Block" volume mode. Block mode allows for direct access to the storage device as a block device, which is ideal for databases that require low-level access and control over storage.
2. Access Mode: To ensure data consistency and availability, you would use the "ReadWriteOnce" access mode. This mode allows only one pod to mount the volume at a time, preventing data corruption.
3. Reclaim Policy: To prevent accidental data deletion, you would use the "Retain" reclaim policy. This policy ensures that the volume is not deleted when the pod is deleted, preserving the database data. Here's an example of a PersistentVolume definition using the specified configurations:

□

### NEW QUESTION # 13

Score: 4%

□

Task

Schedule a pod as follows:

\* Name: nginx-kusc00401

\* Image: nginx

\* Node selector: disk=ssd

**Answer:**

Explanation:  
Solution:  
#yaml  
apiVersion: v1  
kind: Pod  
metadata:  
name: nginx-kusc00401  
spec:  
containers:  
- name: nginx  
image: nginx  
imagePullPolicy: IfNotPresent  
nodeSelector:  
disk: spinning  
#  
kubectl create -f node-select.yaml

#### NEW QUESTION # 14

You are setting up RBAC for a Kubernetes cluster with three namespaces: "development", "staging", and "production". You need to create a role binding that allows developers in the "development" namespace to create deployments, pods, and services, but only within their own namespace.

#### Answer:

Explanation:  
See the solution below with Step by Step Explanation.

Explanation:

Solution (Step by Step) :

- 1 Create a Role for Developers:
2. Create a Role Binding for Developers:
3. Replace 'developer-user' with the actual username of a developer. 4. Repeat steps 1-3 for other namespaces ("staging" and "production") with appropriate resource permissions and user names. 5. Verify the RBAC configuration: - Check that the roles and rolebindings are created successfully using 'kubectl get roles' and 'kubectl get rolebindings'. - Test the permissions by creating a pod, deployment, or service as a developer user in their respective namespaces. 6. If you encounter issues, review the configuration carefully, making sure the namespaces, roles, role bindings, and user names are correct.

#### NEW QUESTION # 15

.....

With the development of the times, civilization is in progress, as well as DumpExam. In order to help you get the CKA exam certification to own a bright future as soon as possible, and you can get well-paid, DumpExam has always been working hard. With efforts for years, the passing rate of DumpExam CKA Certification Exam has reached as high as 100%. Choose DumpExam is to choose success
