NEW QUESTION # 448

Which is created during the Starting up a Project process?

- A. Communication Management Strategy
- **B. Project management team role descriptions**
- C. Quality Register
- D. Project mandate

Answer: B

NEW QUESTION # 449

Which role is responsible for appointing the senior user in a project that is independent from a program?

- **A. Corporate, program management or the customer**
- B. Project assurance
- C. The project manager
- D. The executive

Answer: A

Explanation:

In PRINCE2, the role responsible for appointing the Senior User, as well as other key project roles such as the Executive and the Senior Supplier, is typically taken by someone from corporate or program management, or the customer. This aligns with the principle of clearly defined roles and responsibilities, ensuring that the project has clear governance and accountability. The Senior User is appointed to represent the interests of all those who will use the project's products, who will benefit from the outcomes, and those whose work might be impacted by the change.
