Peoplecert MSP Foundation Exam (5th Edition) Sample Questions (Q96-Q101):

NEW QUESTION # 96

Which BEST describes the 'collaborate across boundaries' principle?

- A. It embraces the volatile, uncertain and complex nature of programmes enabling informed decisions
- B. It addresses the need to re-align to conflicting and changing organizational objectives and strategy
- C. It drives the design and delivery of coherent organizational capabilities to achieve embedded outcomes
- D. It facilitates the implementation of effective cross-organizational governance that does not already exist

Answer: D

NEW QUESTION # 97

Which document describes how the programme will encourage a culture of reflecting on experience?

- A. Information approach
- **B. Knowledge and learning approach**
- C. Assurance approach
- D. Decision-making approach

Answer: B

NEW QUESTION # 98

How does the 'justification' theme apply the 'collaborate across boundaries' principle?

- A. By clearly showing the increased cost of using external, specialized skills in the budget to balance the costs and pace of delivery
- **B. By implementing governance for financial decision-making for the approval of investments by different organizations**
- C. By clearly showing the programme's performance to date in the business case
- D. By ensuring benefits are measurable through the use of cash proxies or other non-financial measures

Answer: B

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

The justification theme ensures investment is viable, while "collaborate across boundaries" emphasizes shared governance in multi-organization programmes. Financial decision-making across such boundaries supports that principle.

MSP Foundation, 5th Edition explains:

"Collaborative governance arrangements should be in place for financial approval and investment justification across organizational boundaries." Thus, C is correct.

-

NEW QUESTION # 99

Which is a purpose of the vision statement?

- A. To define how the vision, benefits and target operating model will be defined and approved
- B. To describe the detailed future state of the investing organization(s) after the programme has finished
- **C. To describe a clear picture of the future state in a way that engages and motivates stakeholders**
- D. To describe the attributes and interdependences involved in delivering an operational improvement

Answer: C

NEW QUESTION # 100

Identify the missing word in the following sentence:

A programme risk is defined as an uncertain event that, if it occurs, will have an effect on the achievement of programme [?].

- A. strategies
- B. baselines
- **C. objectives**
- D. capabilities

Answer: C

Explanation:

Comprehensive and Detailed Explanation From Exact Extract:

A risk, by definition, is anything that could impact the achievement of objectives. In programme management, risks are assessed based on their potential effect on programme objectives.

MSP Foundation, 5th Edition defines:

"A programme risk is an uncertain event or set of events that, if they occur, will affect the achievement of programme objectives."
Therefore, C is correct.
