The desktop-based practice exam is customizable, tracks your progress, and creates a real Implementing Cisco Advanced Call Control and Mobility Services (300-815) exam environment. This software works offline on Windows computers. The web-based practice exam is similar to the desktop-based practice exam and can be taken on any browser without needing to install separate software. Moreover, the web-based Implementing Cisco Advanced Call Control and Mobility Services (300-815) practice exam is also compatible with all operating systems.

Certification Path

After earning the CCNP Collaboration designation, you may want to further develop your tech skills. This way, the most sensible move for you is to pursue another Cisco certificate of the expert level, which is the CCIE Collaboration validation. Having such a certification will equip you with the relevant skills to manage high-level collaboration solutions within an enterprise.
