CCFA-200b training material & CCFA-200b free download vce & CCFA-200b latest torrent

CrowdStrike CCFA-200b study material of "Exam-Killer" is available in three different formats: PDF, desktop-based practice test software, and a browser-based practice CCFA-200b exam questions. CrowdStrike Falcon Administrator (CCFA-200b) practice

tests are a great way to gauge your progress and identify weak areas for further study. Check out features of these formats.

CrowdStrike Falcon Administrator Sample Questions (Q196-Q201):

NEW QUESTION # 196

Which of the following is an effective Custom IOA rule pattern to kill any process attempting to access www.badguydomain.com?

- A. \Device\HarddiskVolume2*.exe -SingleArgument www.badguydomain.com/kill
- B. Custom IOA rules cannot be created for domains
- C. .*badguydomain.com.*
- D. badguydomain\com.*

Answer: C

Explanation:

You are using RegEx here and need leading "." to capture www and then need a "." at the end to identify any sites falling under badguydomain.com.

NEW QUESTION # 197

What is the goal of a Network Containment Policy?

- A. Gain more visibility into network activities
- B. Partition a network for privacy
- C. Limit the impact of a compromised host on the network
- D. Increase the aggressiveness of the assigned prevention policy

Answer: C

Explanation:

The goal of a Network Containment Policy is to limit the impact of a compromised host on the network. This policy allows users to isolate a host from the network, while still allowing it to communicate with the Falcon Cloud and other essential services. This can help prevent further damage or data exfiltration from a compromised host. The other options are either incorrect or not related to the policy.

NEW QUESTION # 198

You want to add an additional layer of security to high-risk RTR commands for your environment.

Where would you configure MFA for RTR within the UI?

- A. General settings
- B. Host group
- C. Containment policy
- D. Response policies

Answer: D

NEW QUESTION # 199

Which report can assist in determining the appropriate Machine Learning levels to set in a Prevention Policy?

- A. Machine Learning Debug
- B. Machine Learning Prevention Monitoring
- C. Falcon UI Audit Trail
- D. Sensor Report

Answer: B

Explanation:

The Machine Learning Prevention Monitoring report in the Prevention Policy Management option allows you to monitor the impact of machine learning (ML) prevention settings on your environment. You can view the number of ML detections and preventions by

severity, policy, and host group. You can also drill down into specific events and hosts to see more details. This report can help you determine the appropriate ML levels to set in a prevention policy based on your risk tolerance and security posture1.

NEW QUESTION # 200

You want to create a detection-only policy. How do you set this up in your policy's settings?

- A. Set the Next-Gen Antivirus detection settings to the desired detection level and all the prevention sliders to disabled. Do not activate any of the other blocking or malware prevention options.
- B. Enable the detection sliders and disable the prevention sliders. Then ensure that Next Gen Antivirus is enabled so it will disable Windows Defender.
- C. Select the "Detect-Only" template. Disable hash blocking and exclusions.
- D. You can't create a policy that detects but does not prevent. Use Custom IOA rules to detect.

Answer: A

Explanation:

The administrator can create a detection-only policy by setting the Next-Gen Antivirus detection settings to the desired detection level and all the prevention sliders to disabled in the policy's settings. This will allow Falcon to detect but not prevent threats on the hosts using this policy. Do not activate any of the other blocking or malware prevention options, as they will enable prevention actions. The other options are either incorrect or not related to creating a detection-only policy.

NEW QUESTION # 201

.....

We provide you the free download and tryout of our CCFA-200b study tool before your purchase our product and we provide the demo of the product to let the client know our product fully. After you visit the pages of our CCFA-200b test torrent on the websites, you can know the characteristics and merits of the CCFA-200b Guide Torrent. In the pages of our product on the website, you can find the details and guarantee and the contact method, the evaluations of the client on our CCFA-200b test torrent and other information about our CCFA-200b exam questions. So it is very convenient for you.
