Salesforce Certified Marketing Cloud Email Specialist Sample Questions (Q136-Q141):

NEW QUESTION # 136

Northern Trail Outfitters wants to ensure that the Email Address field value is not duplicated in a data extension. What should a marketer do to ensure the Email Address field values are unique?

- A. Mark the field as the Primary Key.
- B. Select 'Deduplicate by Email' checkbox.
- C. Use Email Address as Subscriber Key.

Answer: A

Explanation:

To ensure that the Email Address field values are unique in a data extension, the marketer should mark the Email Address field as the Primary Key. In Salesforce Marketing Cloud, marking a field as a Primary Key ensures that each value in that field is unique and cannot be duplicated within the data extension.

NEW QUESTION # 137

A marketing manager notices emails clustered with images that are inconsistent with branding guidelines. Which step should they take to restrict the types of content within the content slot?

- A. Configure restrictions within a Content Area for approval block types
- B. Configure Content Blocks to only be usable within approved templates.
- C. Under user permissions, select limited template access.

Answer: A

Explanation:

To ensure that the content within email templates adheres to branding guidelines, you can configure restrictions within a Content Area to limit the types of content blocks that can be used. This ensures that only approved types of content are used in the email, maintaining consistency with branding guidelines.

NEW QUESTION # 139

The Northern Trail Outfitters (NTO) marketers want to easily track the performance of NTO's interest and profile data capture journeys.

Which action should the marketer take to evaluate conversion of those journeys?

- A. Export the journey email analytics.
- **B. Define a goal for each journey.**
- C. Review opens and clicks activity summaries.

Answer: B

Explanation:

To easily track the performance of Northern Trail Outfitters' (NTO) interest and profile data capture journeys, the marketers should define a goal for each journey. Defining a goal in Journey Builder allows marketers to set specific outcomes they want to measure, such as form submissions or purchases. This enables them to evaluate the conversion rates and overall effectiveness of the journeys by comparing the actual results against the set goals.
