AVIXA Certified Technology Specialist Sample Questions (Q40-Q45):

NEW QUESTION # 40
The contrast control sets the

- A. white balance of the Image.
- B. color temperature of the image.
- C. range for the hue of the image.
- D. range for the difference between white and black.

Answer: D

Explanation:
The contrast control on a display adjusts the range for the difference between white and black. Increasing the contrast makes the whites brighter and the blacks darker, enhancing the overall clarity and sharpness of the image. Proper contrast settings are vital for ensuring that the image displayed is visually appealing and easy to interpret, especially in varying lighting conditions.

NEW QUESTION # 41
Based on this image, what is the aspect ratio for WUXGA?

- A. 1.85:1
- B. 2.35:1
- C. 1.6:1
- D. 1.78:1

Answer: C

Explanation:
WUXGA stands for Wide Ultra Extended Graphics Array and has a resolution of 1920 x 1200 pixels. To determine the aspect ratio, we divide the width by the height:
$\text{Aspect Ratio} = \frac{1920}{1200} = 1.6:1$ Therefore, the aspect ratio for WUXGA is 1.6:1. This aspect ratio is common for widescreen monitors and provides a wider display format compared to traditional 4:3 screens, enhancing the viewing experience for multimedia content.

NEW QUESTION # 42
Which type of contract involves ongoing support for an AV system, regardless of the age of the facility or who did the initial installation?

- A. preventive maintenance
- B. system warranty

- C. manufacturer warranty
- D. service agreement

Answer: D

Explanation:
A service agreement involves ongoing support for an AV system, regardless of the age of the facility or who did the initial installation. This type of contract ensures that the AV system is maintained and serviced regularly, providing long-term support and upkeep. Axis documentation outlines service agreements as essential for ensuring the continued reliability and performance of AV systems, providing clients with peace of mind and consistent technical support.

NEW QUESTION # 43
As a project manager, daily or weekly updates from the_____are MOST USEFUL when trying to make sure a job comes in on time and on budget.

- A. customer
- B. installer
- C. consultant
- D. employer

Answer: B

Explanation:
Installers are directly involved with on-site activities and provide essential updates on daily progress, issues, and requirements. Regular updates from installers enable project managers to monitor timelines, resource allocation, and budget considerations more effectively.
CTS Technology Specialist ReferenceCTS guidelines highlight the importance of regular communication with installers for tracking project progress, as they are most familiar with day-to-day developments and challenges.

NEW QUESTION # 44
An event planner for a banquet surrounding a swimming pool has requested that the pool be lit in the client's colors using underwater lighting. What does the technician need to consider?

- A. access to a grounded power supply
- B. the ability to physically secure the fixtures underwater
- C. the IP rating of the fixtures
- D. whether the installing technicians are PADI certified

Answer: C

Explanation:
When installing underwater lighting in a swimming pool to match a client's colors, the technician needs to consider the IP rating of the fixtures. The IP rating indicates the level of protection the fixtures have against water and dust. For underwater lighting, it is crucial to use fixtures with a high IP rating (typically IP68) to ensure they are fully waterproof and safe to operate underwater. Axis Technology Specialist documentation emphasizes the importance of selecting appropriately rated equipment for specific environmental conditions to ensure safety and functionality.

NEW QUESTION # 45
......

The most attractive thing about a learning platform is not the size of his question bank, nor the amount of learning resources, but more importantly, it is necessary to have a good control over the annual propositional trend. The CTS quiz guide through research and analysis of the annual questions, found that there are a lot of hidden rules are worth exploring, plus we have a powerful team of experts, so the rule can be summed up and use. The CTS prepare torrent can be based on the analysis of the annual questions, it is concluded that a series of important conclusions related to the CTS qualification examination, combining with the relevant knowledge of recent years, then predict the direction which can determine this year's CTS exam. CTS test material will improve the ability to accurately forecast the topic and proposition trend this year.
