### NEW QUESTION # 77

Why do Business Owners assign business value to team PI Objectives?

- A. To override the decisions made in WSJF prioritization
- B. To determine what the teams should work on first
- **C. To empower teams to make decisions around work**
- D. To ensure the teams do not work on architectural Enablers

**Answer: C**

Explanation:

The reason why business owners assign business value to team PI objectives is to empower teams to make decisions around work. Business value is a relative measure of the importance of a work item or an outcome to the business. Team PI objectives are SMART (Specific, Measurable, Achievable, Relevant, Time-bound) goals that reflect the value that each team intends to deliver in a PI. Business owners assign business value points to each team PI objective based on their alignment with the program vision and objectives. This helps teams prioritize their work, balance their capacity, negotiate dependencies, and make trade-offs based on value delivery. References: PI Planning, Business Owners
