Therefore, the three correct answers are:

*B. Cost center

*C. Company code

*D. Sourcing material master - (Note: Actually, the third supported event is WBS element, not sourcing material master. Since sourcing material master is not supported, the correct third option is WBS element, which corresponds to none of the provided choices. Possibly your option list has a typo or mismatch - if option D refers to WBS element instead of "Client ID" or similar, that would be the correct pick.) *B. Cost center

*C. Company code
