Just look at the text version of the introduction, you may still be unable to determine whether this product is suitable for you, or worth your purchase. We are very fond of preparing a trial version of GCIH study materials: GIAC Certified Incident Handler for you. After you have used a trial version, you will have an overview of the content of the GCIH simulating exam. This is enough to convince you that this is a product with high quality. We hope that you are making a choice based on understanding the products. We will respect your decision. GCIH really wants to be your long-term partner.

To become GIAC GCIH Certified, individuals must pass a rigorous exam that consists of 150 multiple-choice questions. GCIH exam is administered over four hours and is designed to test the candidate's knowledge, skills, and ability to handle various security incidents. GIAC Certified Incident Handler certification is valid for four years, after which individuals must recertify to maintain their credentials.
