You just need to spend 20-30 hours on studying; you will have more free time to do other things.

Virginia Insurance Virginia Life, Annuities, and Health Insurance Examination Series 11-01 Sample Questions (Q305-Q310):

NEW QUESTION # 305

(Under a group life insurance policy delivered in Virginia in which the employer is deemed to be the policyholder, which of the following is included in the term "employee" under the policy?)

- A. Individual proprietor
- B. Trade association
- C. Labor union
- D. Credit union

Answer: A

Explanation:

Under Virginia group life insurance provisions, when an employer is the policyholder, the term "employee" includes individuals who work for the employer and may also include individual proprietors if they actively work in the business. This allows sole proprietors and working owners to be covered under group insurance arrangements. Credit unions, labor unions, and trade associations are not employees; they are organizational entities that may serve as policyholders under separate types of group insurance contracts. The question specifically asks which option is included within the definition of employee when the employer is the policyholder. An individual proprietor who performs services for the business qualifies, making that option correct.

NEW QUESTION # 306

To determine whether unfair trade practices have been violated, who has the power to examine a licensee's books and records?

- A. The Bureau of Insurance
- B. The Federal Deposit Insurance Corporation
- C. The National Association of Insurance Commissioners
- D. The Virginia Insurance Guaranty Association

Answer: A

Explanation:

The Bureau of Insurance has the authority to examine a licensee's books and records to determine if unfair trade practices have been violated. This regulatory body ensures compliance with state insurance laws and regulations, and it has the power to investigate potential violations within the industry. The National Association of Insurance Commissioners (NAIC) provides model laws but does not have regulatory power over individual insurers.

NEW QUESTION # 307

(An individual whose contract with an insurer allows the individual to represent ONLY one insurance company is:)

- A. A free agent
- B. An independent agent

- C. A broker
- **D. A captive agent**

Answer: D

Explanation:

A captive agent represents only one insurance company under a contractual agreement. The agent sells only that insurer's products and acts as its exclusive representative.

Independent agents represent multiple insurers, brokers represent clients rather than insurers, and "free agent" is not a recognized licensing category. Virginia licensing materials clearly distinguish captive agents from other distribution roles, making option A correct.

NEW QUESTION # 308

Coverage under a cancelable health insurance policy may be terminated by:

- A. An arbitration committee
- B. The insurer only
- **C. Either the insured or the insurer**
- D. The insured only

Answer: C

Explanation:

Virginia Code § 38.2-3508 defines a cancelable health policy as one either party—the insured or insurer—can terminate before its term ends, with notice (e.g., 30 days). Option C reflects this mutual right. Option A (insurer only) and option B (insured only) are too restrictive; cancelable policies aren't unilateral. Option D (arbitration committee) isn't a standard mechanism; cancellation follows policy terms, not third-party rulings. The study guide likely contrasts cancelable with non-cancelable policies, using examples like an insurer canceling for nonpayment or an insured canceling due to better rates, making C the correct scope.

NEW QUESTION # 309

When a small employer health insurance plan is offered, it must be available:

- **A. To all eligible employees who apply**
- B. Only to employees who provide evidence of insurability
- C. To all eligible employees after a 12-month waiting period
- D. Only to employees under age 65

Answer: A

Explanation:

Virginia Code § 38.2-3431 et seq., aligned with the ACA, requires small employer health plans (1-50 employees) to offer coverage to all eligible employees who apply, without discrimination based on health status or other factors. "Eligible" typically means full-time employees meeting the employer's criteria (e.g., 30+ hours/week). Option A reflects this guaranteed issue mandate, ensuring broad access. Option B (12-month waiting period) is false; Virginia and federal law cap waiting periods at 90 days (Virginia Code § 38.2-3445), not 12 months. Option C (evidence of insurability) contradicts guaranteed issue rules for small groups, which prohibit medical underwriting. Option D (under age 65) is incorrect; coverage extends to all eligible employees regardless of age, though Medicare coordination may apply post-65. The study guide likely stresses this inclusivity as a cornerstone of small group market reforms, making A the correct answer.

NEW QUESTION # 310

.....

For this task, you need to update Virginia Insurance Virginia-Life-Annuities-and-Health-Insurance preparation material to get success. If applicants fail to find reliable material, they fail the Virginia Insurance Virginia-Life-Annuities-and-Health-Insurance examination. Failure leads to loss of money and time.
