## Salesforce Certified Sales Cloud Consultant Sample Questions (Q113-Q118):

### NEW QUESTION # 113

If a lead that has been campaigned to decides to proceed with an opportunity, how is this information tracked through the sales life-cycle?

**Answer:**

Explanation:

When you convert a lead that is linked to a campaign, campaign name is automatically inserted into the opportunity Primary Campaign Source field and tracked (via opportunity and report).

#### NEW QUESTION # 114

Sales representatives and partners of Northern Trail Outfitters (NTO) constantly complain about the poor quality of lead data. Leads are owned by the Vice President of Marketing, who has established a task force and a project to remedy the situation. Which approach should the task force consider to improve and maintain the quality of lead data? Choose 2 answers

- A. Create a workflow notification when leads are created with poor Quality data.
- B. Use Data.com to clean the existing lead data and new data going forward.
- C. Use tools like the Lead Import wizard to identify and remove duplicates.
- D. Import the lead data using the Find Duplicates wizard on the lead object.

**Answer: B,C**

#### NEW QUESTION # 115

Universal Containers has a fiscal year that starts in February and ends in January. The SVP of sales has reinforced how important it is to measure the sales teams' performance based on this fiscal year and has asked how Sales Cloud can support this request. Which solution should the consultant recommend?

- A. Update the Company settings.
- B. Update the User settings.
- C. Update the Locale settings.

**Answer: A**

Explanation:

To measure the sales team's performance based on a fiscal year that starts in February and ends in January, the consultant should recommend updating the Company settings. In Salesforce, the fiscal year settings can be customized in the Company Information section of Setup. This allows the organization to define a custom fiscal year that aligns with their financial reporting requirements. By setting the correct fiscal year, Salesforce will automatically adjust all reports and forecasts to align with the company's financial calendar.

#### NEW QUESTION # 116

When a lead is created, Cloud Kicks wants to implement rules to assign the lead to the appropriate user. The new record should have the assignee's default record type.

Which approach should the consultant recommend to meet the requirement most efficiently?

- A. Use Lead settings to set the record type of the assignee.
- B. Create a flow to update the lead record type of the assignee.
- C. Match the record type of assignee in the User settings.

**Answer: C**

#### NEW QUESTION # 117

How would you track campaign influence?

**Answer:**

Explanation:

1. Auto set influence of a campaign to an opportunity
2. Associate influential campaigns (to contact role) on opportunity prior to close date
3. Measure influence timeframe (max #days between campaign first associated date and opportunity create date)
