## ATD The Certified Professional in Talent Development Sample Questions (Q126-Q131):

### NEW QUESTION # 126

Which work product would most likely be protected under copyright law?

- A. A recording of an orientation course
- B. A new-hire process flow
- C. A communication plan
- D. An onboarding procedure

**Answer: A**

Explanation:

Copyright law protects "original fixed expressions of ideas" like recordings, videos, books, or artwork, according to the ATD Legal Essentials for Talent Development.

Processes or workflows may be protected under different intellectual property types but not usually under copyright.

Reference: ATD Handbook, Legal Aspects of Talent Development.

### NEW QUESTION # 127

A project manager just learned of a significant delay in meeting a project milestone. Which option would be best for communicating information about the delay to external stakeholders dispersed across multiple time zones?

- A. Call each targeted stakeholder on the telephone and verbally explain the delay situation
- B. Text an instant message to targeted stakeholders to explain the delay situation
- C. Schedule a web conference to explain the delay situation with the targeted stakeholders simultaneously
- D. Send an email to all of the targeted stakeholders to explain the delay situation

**Answer: D**

Explanation:

As per the CPTD Outline on Communication Skills, best practices for dispersed audiences across time zones include "written communication such as emails to ensure consistent, documented, asynchronous communication across different working hours".

Reference:CPTD Detailed Content Outline, Communication and Stakeholder Engagement.

#### NEW QUESTION # 128

An engineering company utilizes two learning management systems (LMSs): one manages technical training, and the other manages professional development (or non-technical training) for all of the company's engineers. Over time, changes in reporting requirements have caused the use of two different systems to be difficult and time-consuming. It has been decided that a new LMS is to be selected, with a goal of improving the time constraints of using training information from both systems. A talent development (TD) professional is put in charge of facilitating the selection and implementation of the new LMS. What should the TD professional do to facilitate the selection process?

- A. Select the system with the best user interface.
- B. Analyze consequences for keeping both systems.
- C. Have a select group of end-user engineers research and make recommendations regarding the best system.
- **D. Perform an environmental scan to determine the capabilities offered by different LMSs.**
- **E. Define the capabilities needed for this system, as compared to current gaps.**
- F. Conduct research on what systems are being used by similar companies.
- **G. Seek consensus of stakeholders on prioritization of system capabilities.**

**Answer: D,E,G**

#### NEW QUESTION # 129

A talent development (TD) professional has been tasked with training a group of managers on how to be better coaches. The managers have been in their roles for one to three years, have some prior knowledge, are self-motivated to learn, and lack guidance. What is the most effective approach for the TD professional to take?

- A. Organize learners into small groups to discuss coaching ideas and receive feedback from peers
- **B. Engage learners with opportunities to practice coaching and receive feedback from peers and TD professionals**
- C. Provide information about coaching and allow learners to practice coaching each other
- D. Disseminate information about coaching theories to learners with explanations of what a good coach embodies

**Answer: B**

Explanation:

TheATD Handbookrecommends for experienced, self-motivated learners: "Practice opportunities with structured feedback are essential to move from theoretical understanding to skill mastery".

Engagement plus feedback leads to real coaching behavior change.

Reference:ATD Handbook for Training and Talent Development (2022), Coaching Skills Development.

#### NEW QUESTION # 130

A talent development professional is developing a training course for line staff who have been promoted to a manager position for the first time. Why should relationship building be a critical component of the training course?

- A. Strong relationships among team members provide the best return on investment (ROI) for the department
- B. Support from key stakeholders cannot be obtained without establishing strong relationships first
- **C. A sense of shared ownership and effective inclusion create the foundation of a strong team**
- D. Management is a social construct and built on a foundation of informal relationships

**Answer: C**

Explanation:

According toFirst-Time Manager Training Best Practices(Certification Reading List), fostering "shared ownership and inclusive collaboration" is vital for new managers to build trust, motivation, and team effectiveness.

Relationships enable leadership success far more than authority alone.

Reference:ATD Handbook, Leadership Development for New Managers.
