NEW QUESTION # 61

An HPE Synergy customer needs to prevent a timeout and loss of communication during an external switch firmware upgrade. Click the parameter that the customer should configure within an uplink set to meet this requirement

Create Uplink Set

General

Name:

Consistency checking:

Type:

Connection mode:

LACP timer:

LACP load balancing:

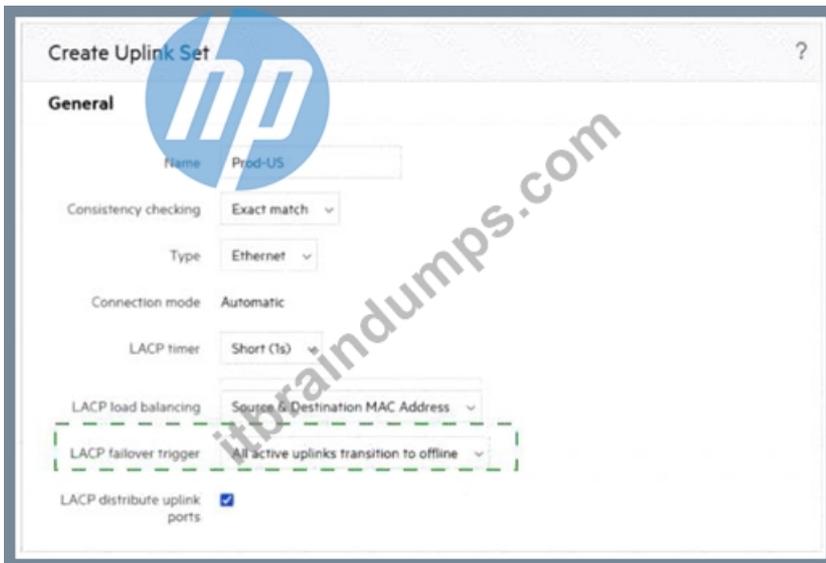

LACP failover trigger:

LACP distribute uplink ports:

Answer:

Explanation:

Explanation:

To prevent a timeout and loss of communication during an external switch firmware upgrade, the customer should configure the LACP failover trigger within the uplink set. By setting the LACP failover trigger to "All active uplinks transition to offline," the configuration ensures that the traffic will be redirected to available uplinks in the event of an uplink failure or during the upgrade process, maintaining communication and preventing timeouts.

NEW QUESTION # 62

Which statement about login redistribution is true?

- A. Login redistribution is used for login balancing when they are not distributed evenly over the FC links
- B. Login redistribution is available only if HPE Primera or HPE Alletra is connected directly to the HPE Synergy frame
- C. Login redistribution is a licensed feature and the number of licenses required depends on the number of active ports
- D. Login redistribution is supported only on the HPE Synergy Virtual Connect SE 32Gb FC Modules

Answer: A

Explanation:

Login redistribution is a feature used in Fibre Channel (FC) environments - particularly within HPE Synergy and Virtual Connect configurations - to help balance the distribution of device logins (like from servers or HBAs) across all available FC uplinks. This helps avoid performance bottlenecks and ensures efficient use of available bandwidth.

NEW QUESTION # 63

.....

In order to help customers, who are willing to buy our HPE0-S59 test torrent, make good use of time and accumulate the knowledge, Our company have been trying our best to reform and update our HPE Compute Solutions exam tool. "Quality First, Credibility First, and Service First" is our company's purpose, we deeply hope our HPE0-S59 study materials can bring benefits and profits for our customers. So we have been persisting in updating our HPE0-S59 Test Torrent and trying our best to provide customers with the latest study materials. More importantly, the updating system we provide is free for all customers. If you decide to buy our HPE0-S59 study materials, we can guarantee that you will have the opportunity to use the updating system for free.
