- A. Double-negative
- **B. Complex**
- C. Controlled answer
- D. Free narrative

Answer: B

Explanation:

Complex questions:

"consist of a series of interrelated questions... too complicated to be easily understood, cover more than one subject, or require more than one answer".

The question asked by Delta ("Were you aware that the signature was forged, and why didn't you tell anyone earlier?") covers two issues, making it complex.

NEW QUESTION # 29

If the following statements were included in a fraud examination report of a qualified expert, which of them would be IMPROPER?

- A. "The evidence shows that between \$1 million and \$1.5 million in assets were transferred to an offshore account."

- C. "The organization must address the inadequate separation of accounting duties to prevent such an event from happening again."
- D. "When asked a second time about the amount of funds missing, the suspect contradicted their previous testimony."

Answer: B

Explanation:

The Fraud Examiners Manual makes clear:
