All of the following are typical health maintenance organization (HMO) preventive care services provided by a primary care physician EXCEPT:

- A. Physical examinations
- B. Immunizations for children
- C. Well-baby checkups
- D. Experimental surgery

答案：D

HMOs (Health-General Article, § 19-701) provide preventive care like checkups, immunizations, and exams.

Experimental surgery isn't preventive or standard, making it the exception to covered services.

References:Maryland Health-General Article, § 19-701; MIA HMO guidelines.

Under federal law, an insurance producer may be sentenced to prison for:

- A. Suing an insurer over contract violations
- B. Inducing a client to sign an application for insurance
- C. Embezzling money from an insurance company
- D. Selling insurance with a nonresident license

答案：C

解題說明：

Federal law (18 U.S.C. § 1033) criminalizes embezzlement by a producer, a felony punishable by prison if interstate commerce is affected. Nonresident licensing is a state issue, inducing applications is legal, and suing is a civil action, not criminal.

References:18 U.S.C. § 1033; MIA producer conduct alignment.

- C. Have at least 50% of its employees reside in the state of Maryland
- D. Contribute to employee premiums

答案：A

Medical charges that fall within the range of fees normally charged for a given procedure in a certain geographical area are called:

- A. Scheduled charges
- **B. Reasonable and customary charges**
- C. Utilization charges
- D. Preapproved charges

答案: B

解題說明:

Reasonable and customary charges are the typical fees for a procedure in a geographic area, used to set reimbursement levels (Insurance Article, § 15-1005). Preapproved charges require prior authorization, utilization charges relate to service reviews, and scheduled charges are fixed fees, none of which define this standard.

References: Maryland Insurance Article, § 15-1005; MIA health insurance guidelines.

問題 #25

After completing an application for insurance, the insurance producer collects the premiums but deposits the check in the insurance producer's checking account. What crime has been committed?

- A. Replacement
- B. Rebating
- C. Twisting
- **D. Fraud**

答案: D

解題說明:

Producers hold premiums in a fiduciary capacity (Insurance Article, § 10-126) and must remit them to the insurer or a trust account. Depositing them into a personal account is fraud—specifically misappropriation—violating state law. Twisting, rebating, and replacement involve different unethical acts, not fund misuse.
