NEW QUESTION # 37

Which of the following statements about the four dimensions of product and service management is CORRECT?

- A. All four dimensions focus mainly on the activities of the service value chain
- **B. All four dimensions are critical to effective and efficient facilitation of value**
- C. Each dimension on its own is sufficient to achieve the desired outcomes
- D. All four dimensions apply only to product design and not to management practices

Answer: B

Explanation:

All four dimensions are critical to the effective and efficient facilitation of value because they provide a balanced and holistic view of product and service management, ensuring that no important aspect is overlooked when creating and delivering value.

NEW QUESTION # 38

Which is the main form of service interaction between service consumers and digital services?

- A. Service actions
- B. Transfer of goods
- C. Delivery of goods
- **D. Access to resources**

Answer: D

Explanation:

The main form of service interaction between service consumers and digital services is access to resources, as consumers typically use digital capabilities, applications, or infrastructure provided by the service provider without transferring ownership.

NEW QUESTION # 39

The board of directors approves a new digital strategy and instructs management to prioritize investment in cloud infrastructure to support future growth. Which governance activity does this represent?

- A. Evaluate
- **B. Direct**
