PRINCE2 7 Foundation written Exam Sample Questions (Q359-Q364):

NEW QUESTION # 359

Which is a purpose of the Business Case theme?

- A. Identify the project's outputs
- B. Establish the controls to manage changes that may impact the project benefits
- **C. Establish a viable investment proposition**
- D. Identify which role is responsible for producing the Business Case

Answer: C

NEW QUESTION # 360

The application of which principle helps to define what should be included in a project?

- A. Manage by stages
- B. Focus on products
- **C. Continued business justification**
- D. Defined roles and responsibilities

Answer: C

Explanation:

The application of the "Continued Business Justification" principle in PRINCE2 helps to define what should be included in a project. This principle ensures that a project remains viable and relevant, with a clear justification for starting and continuing each stage of the project. It supports decision-making about the inclusion of specific components or activities based on their contribution to project objectives and expected benefits. NEW QUESTION # 361

The benefits Management approach has been reviewed by the project board to ensure there are sufficient benefit reviews after the project has closed.

Which principle is the project board applying?

- A. Manage by exception
- B. Manage by stages
- C. Focus on products
- **D. Ensure continued business Justification**

Answer: D

Explanation:

The principle of 'Ensure continued business justification' in PRINCE2 requires that the project remains justified throughout its lifecycle. By reviewing the benefits management approach to ensure it includes sufficient benefit reviews after the project's closure, the project board is applying this principle to confirm that the project continues to provide value and that its benefits are realized as planned, even post-project.
