## Reliable CCAAK Practice Materials | CCAAK Test Torrent

In the past ten years, our company has never stopped improving the CCAAK study materials. For a long time, we have invested much money to perfect our products. The job with high pay requires they boost excellent working abilities and profound major knowledge. Passing the CCAAK exam can help you find the job you dream about, and we will provide the best CCAAK question torrent to the client. We are aimed that candidates can pass the exam easily. The study materials what we provide is to boost pass rate and hit rate, you only need little time to prepare and review, and then you can pass the CCAAK exam.

## Confluent Certified Administrator for Apache Kafka Sample Questions (Q24-Q29):

### NEW QUESTION # 24

Your Kafka cluster has four brokers. The topic t1 on the cluster has two partitions, and it has a replication factor of three. You create a Consumer Group with four consumers, which subscribes to t1.

In the scenario above, how many Controllers are in the Kafka cluster?

- A. three
- **B. One**
- C. two
- D. Four

**Answer: B**

**Explanation:**

In a Kafka cluster, only one broker acts as the Controller at any given time. The Controller is responsible for managing cluster metadata, such as partition leadership and broker status. Even if the cluster has multiple brokers (in this case, four), only one is elected as the Controller, and others serve as regular brokers. If the current Controller fails, another broker is automatically elected

to take its place.

#### NEW QUESTION # 25

You are using Confluent Schema Registry to provide a RESTful interface for storing and retrieving schemas. Which types of schemas are supported? (Choose three.)

- A. Protobuf
- B. gRPC
- C. Thrift
- D. JSON
- E. Avro

**Answer: A,D,E**

Explanation:

Avro is the original and most commonly used schema format supported by Schema Registry. Confluent Schema Registry supports JSON Schema for validation and compatibility checks. Protocol Buffers (Protobuf) are supported for schema management in Schema Registry.

#### NEW QUESTION # 26

What does Kafka replication factor provide? (Choose two.)

- A. Availability
- B. Performance
- C. Security
- D. Durability

**Answer: A,D**

Explanation:

Replication ensures that multiple copies of data exist across different brokers, so data is not lost if one broker fails. With multiple replicas, Kafka can continue to serve data even if the leader or one replica fails, maintaining service availability.

#### NEW QUESTION # 27

If the Controller detects the failure of a broker that was the leader for some partitions, which actions will be taken? (Choose two.)

- A. The Controller waits for a new leader to be nominated by ZooKeeper.
- B. The Controller sends the new leader and ISR list changes to all producers and consumers.
- C. The Controller persists the new leader and ISR list to ZooKeeper.
- D. The Controller sends the new leader and ISR list changes to all brokers.

**Answer: C,D**

Explanation:

The Controller updates ZooKeeper with the new leader and in-sync replica (ISR) information to maintain metadata consistency. Brokers need this information to correctly route client requests and continue replication.

#### NEW QUESTION # 28

A developer is working for a company with internal best practices that dictate that there is no single point of failure for all data stored.

What is the best approach to make sure the developer is complying with this best practice when creating Kafka topics?

- A. Set 'min.insync.replicas' to 1.
- B. Use the parameter --partitions=3 when creating the topic.
- C. Set the topic replication factor to 3.
- D. Make sure the topics are created with linger.ms=0 so data is written immediately and not held in batch.

**Answer: C**

Explanation:

Replication factor determines how many copies of each partition exist across different brokers. A replication factor of 3 ensures that even if one or two brokers fail, the data is still available, thus eliminating a single point of failure.

## NEW QUESTION # 29

.....

In order to provide the most effective CCAAK exam materials which cover all of the current events for our customers, a group of experts in our company always keep an close eye on the changes of the CCAAK exam even the smallest one, and then will compile all of the new key points as well as the latest types of exam questions into the new version of our CCAAK Practice Test, and you can get the latest version of our CCAAK study materials for free during the whole year. Do not lose the wonderful chance to advance with times.

**Reliable CCAAK Practice Materials:** <https://www.vcetorrent.com/CCAAG-valid-vce-torrent.html>

We provide 24-hours online customer service which replies the client's questions and doubts about our CCAAK training quiz and solve their problems, In addition to our CCAAK exam questions, we also offer a Confluent Practice Test engine, Trust CCAAK vce questions, you will never fail, Confluent CCAAK Guaranteed Questions Answers We don't want you to prepare and practice the old questions and waste time.

Are you willingly making a career change, or CCAAK Test Torrent are you doing it because someone else told you to or is coercing you to, When he's not writing books and software, Rick can be CCAAK found participating in theater guild productions such as Bye Bye Birdie and Camelot.

## Most probable real and updated Confluent CCAAK exam questions

We provide 24-hours online customer service which replies the client's questions and doubts about our CCAAK training quiz and solve their problems, In addition to our CCAAK exam questions, we also offer a Confluent Practice Test engine.

Trust CCAAK vce questions, you will never fail, We don't want you to prepare and practice the old questions and wastetime, Once you place your order this time, CCAAK Guaranteed Questions Answers you will enjoy and experience comfortable and convenient services immediately.
