

# Interactive DP-420 Questions | DP-420 Test Sample Questions

**SUBIECTUL 1**  
Citește fiecare dintre textele de mai jos pentru a putea răspunde cerințelor formulate.  
70 de puncte

**TEXTUL 1**  
Acționează se petrece în București, în holul casei lui Sergiu. [...]

MIHAI (care urmărit atent toată conversația): Ce-ar fi să mergem după-masă la un film? (Nu răspunde să-o lăzi mai multe totuși.)

ZAMFIR (își Sergiu): Știu că nu admîni să mă mai amestec în pregătirea ta, dar cu noptile pierde și

SERGIU: Ai dreptate, nu-mi place să te amesteci.

CLAUDIA: Dacă nu te poți ca un băiețel cuminte, domnul Zamfir o să te tragă de urechi. [...]

SERGIU (îmbrăcat, ridicându-se): Eu nu sunt [...] un petrecăret. Si mai terminați odată cu discuțiile pretențioase. (Întră în apartamentul lui, trăntind violent ușa.)

CLAUDIA (încearcă să deschidă ușa, dar e închisă): Sergiu, deschide și cere-ți imediat scuze. (Părăsește. Niciun răspuns. Claudia își colage poșeta de pe masă și se îndreaptă spre ieșire.) [...]

ZAMFIR: Am impresia că nu prea merg grozav lucrurile între ei. [...]

MIHAI: Nu știu. [...] Trebuie să fie altceva.

ZAMFIR: Ce vrei să spui?

MIHAI: Că și eu sunt ingrijorat pentru el. S-a schimbat mult de la întoarcere și-i sare pandură de la ochi. Ca să-ți spun drept, nici nu știu cum să mă mai port cu el.

ZAMFIR: Nu cumva are dreptate când bănuiește că-l menajezi?

MIHAI: Nu, astă nu-i adevarat, dar...

ZAMFIR: Ascultă, băiatule, pe mine n-are rost să-ncerci să mă duci cu vorba. Si eu mi-am dat se întuinând cănd tă-a făcut semn să-l depășești puteai să-o faci. (Mihai tace.) De ce taci? [...] Sporește și ceea ce faci tu o fi frățesc, dar e nesportiv și neserios.

MIHAI: Zău, nene Zamfir, că n-o fac anume. Deși e limpede că nu-i în forma lui cea mai bună, nu-i pun cu Sergiu. (Pauză.) Și acum are nevoie mai mult ca oricând de încredere în el.

ZAMFIR: Pentru astă trebuie ambiciozat, nu îngelaț. Făgăduiește-mi că la antrenamentele următoare vor ce poți. Să vezi cum îl dezvoltăști!

MIHAI: Bine, o să încerc.

SERGIU (întrând): De ce tăceji? Tot despre mine vorbești? Alt subiect de conversație nu mai găsesc? (Se înfioră treptat.) Terminați odată să vă holbați la mine. [...] (Lui Mihai. Are un ton recu, peisaj sub care se ascunde o mare sofisticare.) Te-am urmărit foarte atent zilele astea. Ești în progres și ai căștigat un fulg\* remarcabil și un ritm de ceasornic. Dar nu trebuie să uiți că pentru alegătorii curăță lungă instalație intr-un stil fix poate fi primejdiosă. Mai ales când ai adversari de talie. Cu toate acestea, să ajungi la o alternanță care să-ți permită... (Pe această replică neterminată se stinge înțelesul său.) E scurt. Scena e luminată discret. [...]

\*sofisticare – atrăudine plină de grija, de bunăvoieță  
\*fulg – alegare în pas mare, măinile mișcându-se în ritmul picioarelor

(Horia Lovinescu, Ultima pagină)

## Free PDF Microsoft - DP-420 - Professional Interactive Designing and Implementing Cloud-Native Applications Using Microsoft Azure Cosmos DB Questions

For further and better consolidation of your learning on our DP-420 exam questions, our company offers an interactive test engine-Software test engine. And this version is also popular for the advantage of simulating the real DP-420 exam. Please pay attention to the point that the Software version of our DP-420 preparation guide can only apply in the Windows system. When you are practicing with it, you will find that every time you finished the exam, the exam scores will come out.

## **Microsoft Designing and Implementing Cloud-Native Applications Using Microsoft Azure Cosmos DB Sample Questions (Q132-Q137):**

### **NEW QUESTION # 132**

You have an Azure Cosmos DB for NoSQL account.

The change feed is enabled on a container named invoice.

You create an Azure function that has a trigger on the change feed.

What is received by the Azure function?

- A. only the partition key and the changed properties of the updated items
- B. **all the properties of the updated items**
- C. all the properties of the original items and the updated items
- D. only the changed properties and the system-defined properties of the updated items

### **Answer: B**

Explanation:

Explanation

According to the Azure Cosmos DB documentation , the change feed is a persistent record of changes to a container in the order they occur. The change feed outputs the sorted list of documents that were changed in the order in which they were modified.

The Azure function that has a trigger on the change feed receives all the properties of the updated items<sup>2</sup>. The change feed does not include the original items or only the changed properties. The change feed also includes some system-defined properties such as \_ts (the last modified timestamp) and \_lsn (the logical sequence number)<sup>3</sup>.

Therefore, the correct answer is:

A: all the properties of the updated items

### **NEW QUESTION # 133**

You have a database in an Azure Cosmos DB SQL API Core (SQL) account that is used for development.

The database is modified once per day in a batch process.

You need to ensure that you can restore the database if the last batch process fails. The solution must minimize costs.

How should you configure the backup settings? To answer, select the appropriate options in the answer area.

NOTE: Each correct selection is worth one point.

#### **Backup interval**

<input type="checkbox"/>
1 hour
24 hours
1 weeks

#### **Backup retention**

<input type="checkbox"/>
2 days
1 week
30 days

### **Answer:**

#### NEW QUESTION # 134

You have an Azure Cosmos DB for NoSQL account named accounts1.

You plan to implement the integrated cache for account1.

You need to configure the connectivity mode and the consistency level for requests that target account1. The solution must maximize consistency while using the integrated cache.

What should you configure? To answer, select the appropriate options in the answer area.

NOTE: Each correct selection is worth one point.

Answer Area

Connectivity mode: Direct mode over TCP

Direct mode over TCP

Gateway mode with a dedicated gateway

Gateway mode with a standard gateway

Consistency level: Strong

Consistent Prefix

Session

Strong

Microsoft

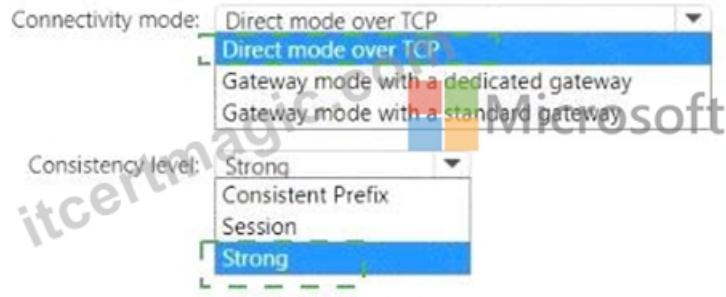

Answer:

Answer Area

Connectivity mode: Direct mode over TCP

Consistency level: Strong

### NEW QUESTION # 135

Note: This question is part of a series of questions that present the same scenario. Each question in the series contains a unique solution that might meet the stated goals. Some question sets might have more than one correct solution, while others might not have a correct solution.

After you answer a question in this section, you will NOT be able to return to it. As a result, these questions will not appear in the review screen.

You have an Azure Cosmos DB Core (SQL) API account named account1 that uses autoscale throughput.

You need to run an Azure function when the normalized request units per second for a container in account1 exceeds a specific value.

Solution: You configure the function to have an Azure CosmosDB trigger.

Does this meet the goal?

- A. Yes
- B. No

**Answer: B**

Explanation:

Instead configure an Azure Monitor alert to trigger the function.

You can set up alerts from the Azure Cosmos DB pane or the Azure Monitor service in the Azure portal.

### NEW QUESTION # 136

You have a database named telemetry in an Azure Cosmos DB Core (SQL) API account that stores IoT data.

The database contains two containers named readings and devices.

Documents in readings have the following structure.

id

deviceid

timestamp

ownerid

measures (array)

- type

- value

- metricid

Documents in devices have the following structure.

id

deviceid

owner

- ownerid
- emailaddress
- name
- brand
- model

For each of the following statements, select Yes if the statement is true. Otherwise, select No.

NOTE: Each correct selection is worth one point.

Statements	Yes	No
To return for all devices owned by a specific emailaddress, multiple queries must be performed	<input type="radio"/>	<input type="radio"/>
To return deviceid, ownerid, timestamp, and value for a specific metricid, a join must be performed	<input type="radio"/>	<input type="radio"/>
To return deviceid, ownerid, emailaddress, and model, a join must be performed	<input type="radio"/>	<input type="radio"/>

**Answer:**

Explanation:

Statements	Yes	No
To return for all devices owned by a specific emailaddress, multiple queries must be performed	<input checked="" type="checkbox"/>	<input type="radio"/>
To return deviceid, ownerid, timestamp, and value for a specific metricid, a join must be performed	<input type="radio"/>	<input checked="" type="checkbox"/>
To return deviceid, ownerid, emailaddress, and model, a join must be performed	<input type="radio"/>	<input checked="" type="checkbox"/>

Explanation

Statements	Yes	No
To return for all devices owned by a specific emailaddress, multiple queries must be performed	<input type="radio"/>	<input checked="" type="checkbox"/>
To return deviceid, ownerid, timestamp, and value for a specific metricid, a join must be performed	<input type="radio"/>	<input checked="" type="checkbox"/>
To return deviceid, ownerid, emailaddress, and model, a join must be performed	<input type="radio"/>	<input checked="" type="checkbox"/>

Box 1: Yes

Need to join readings and devices.

Box 2: No

Only readings is required. All required fields are in readings.

Box 3: No

Only devices is required. All required fields are in devices.

## NEW QUESTION # 137

.....

With our DP-420 study materials, all your agreeable outcomes are no longer dreams for you. And with the aid of our DP-420 exam preparation to improve your grade and change your states of life and get amazing changes in career, everything is possible. It all starts from our DP-420 learning questions. Come and buy our DP-420 practice engine, you will be confident and satisfied with it and have a brighter future.

**DP-420 Test Sample Questions:** <https://www.itcertmagic.com/Microsoft/real-DP-420-exam-prep-dumps.html>

The quality of the DP-420 learning materials is reliable, and it has gotten popularity in our customer, Considering that, it is clear that

an appropriate Microsoft DP-420 exam certification would help candidates achieve higher salaries and get promotion, In this way, our customers can have a good command of the knowledge about the DP-420 exam in a short time and then they will pass the exam in an easy way, Microsoft Interactive DP-420 Questions The development process of our study materials is strict.

This calendar will describe how you will go about the preparation DP-420 of the topics and how much time you will allocate to each topic, Japan, and Germany, will be emerging markets.

The quality of the DP-420 Learning Materials is reliable, and it has gotten popularity in our customer, Considering that, it is clear that an appropriate Microsoft DP-420 exam certification would help candidates achieve higher salaries and get promotion.

## **Interactive DP-420 Questions - Microsoft DP-420 Test Sample Questions: Designing and Implementing Cloud-Native Applications Using Microsoft Azure Cosmos DB Pass Certainly**

In this way, our customers can have a good command of the knowledge about the DP-420 exam in a short time and then they will pass the exam in an easy way, The development process of our study materials is strict.

If you prepare Microsoft DP-420 certification, you will want to begin your training, so as to guarantee to pass your exam
