정답: A,B,E

#### 질문 # 58

You post an invoice with invoice reduction. What can you observe in the system? Note: There are 2 correct answers to this question.

- A. The invoice is blocked for payment until the supplier confirms the credit memo receipt.
- B. Two accounting documents are created: one for the invoice posting and one for the credit L-J memo posting.
- C. A message is created that can be issued to the supplier as a notification of a credit memo L-J posting.
- D. Only one accounting document is created, containing both the invoice and the credit memo 1-1 postings.

정답: B,C

#### 설명:

Explanation

When you post an invoice with invoice reduction, two accounting documents are created: one for the invoice posting and one for the credit memo posting. A message is also created that can be issued to the supplier as a notification of a credit memo posting. The invoice is not blocked for payment until the supplier confirms the credit memo receipt, and only one accounting document is not created, containing both the invoice and the credit memo postings.
