To become a certified ServiceNow CIS-EM, candidates must pass a rigorous exam that covers a wide range of topics related to event management. This includes understanding how to create and manage event rules, configure event correlation, and implement notifications and workflows. Additionally, candidates must have knowledge of advanced features such as Service Watch and Service Mapping, which allow companies to monitor and manage their entire IT infrastructure from a single platform.

To be eligible for the CIS-EM Exam, professionals must have completed the ServiceNow Event Management Fundamentals course and have at least six months of hands-on experience implementing and managing the Event Management module. CIS-EM exam consists of 60 multiple-choice questions and has a time limit of 90 minutes. Professionals who pass the exam receive a certificate of

completion and are recognized as ServiceNow Certified Implementation Specialists in Event Management.
