NEW QUESTION # 26

A marketing team wants to modify their sales process to add an extra step where CRM-based operators will qualify leads before passing them to field sales agents. The marketing team needs guidance since this is a new function for them, but they cannot spend much time updating Marketo since SDR reps are being hired in two weeks.

Which step is essential before this change goes into effect?

- A. Review the existing lead segmentation and lead routing automations, and edit them so alerts will be sent to SDRs instead of sales managers
- B. Check that the database size will still be compliant with the expected volume of new leads that the SDRs will manage
- C. Create a new lead scoring model before hiring SDR reps
- D. Check existing nurture programs, and advise the business of overlapping areas between SDR involvement and automated nurtures

Answer: A
