Career Opportunities

The ASQ CSSBB is an internationally recognized and reputed designation and will, hence, serve to provide a boost in the career of anyone who attains it, both on the personal and the organizational levels. As a matter of fact, CSSBB professionals are trained to create exceeding results for their organizations through the use of statistical analysis and Six Sigma tools. Thus, this certification gives them a wider career path ranging from being business analysts and consultants to being process improvement professionals, and so on. Moreover, the certification helps to improve the professionals' chances of obtaining new jobs with relative ease, as it automatically establishes such individuals as well-committed and self-motivated. As a consequence, good promotion offers and better salary scales are assured for certified specialists. An average CSSBB holder, as found via Payscale.com, earns up to \$101,797 per year.
