## Texas Application for Exemption – Educational Organizations

GLENN HEGAR TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

Nonprofit educational organizations should use this application to request exemption from Texas sales tax, hotel occupancy tax and franchise tax, if applicable.

To receive a state tax exemption as an educational organization, a nonprofit educational organization must be devoted solely to systematic instruction (particularly in the commonly accepted arts, sciences and vocations) with a regularly scheduled curriculum, faculty and an enrolled student body or students in attendance at a place where the educational activities are regularly conducted. An educational organization can also qualify if its activities consist solely of public groups, forums, panels, lectures or other similar programs, and the presentations provide instruction in the commonly accepted arts, sciences and vocations. Exemption from federal tax as a 501(c) organization is not required to qualify for exemption from state tax as an educational organization.

Public and private colleges, universities, junior colleges and community colleges from other states and nations do not qualify as educational organizations exempt from Texas hotel occupancy tax.

The exemption for educational organizations is provided for in Sections 151.310, 156.102 and 171.061 of the Texas Tax Code; more detailed information can be found in Comptroller Rules 3.322, 3.161, 3.541 and 3.583.

Some organizations will not qualify for an exemption as an educational organization as that term is defined in Texas' law and rules, even through their activities may be educational in nature. Such an organization might still qualify for exemption from Texas sales tax and franchise tax, if applicable, under certain sections of the Internal Revenue Code (IRC).

Texas tax law provides an exemption from sales tax on goods and services purchased for use by organizations exempt under IRC Section 501(c)(3), (4), (8), (10) or (19). However, exempt organizations are required to collect tax on most of their sales of taxable items. See *Exempt Organizations - Sales and Purchases*, Publication 96-122.

Texas law also provides an exemption from franchise taxes for corporations exempted from the federal income tax under IRC Section 501(c)(2), (3), (4), (5), (6), (7), (8), (10), (16), (19) or (25).

If your organization has been granted federal tax exemption under one of the qualifying sections listed above, your organization will be granted an exemption from Texas sales tax, or sales and franchise tax, on the basis of the Internal Revenue Service (IRS) exemption, as required by state law.

Organizations that qualify for exemption based on the federal tax exemption are not exempt from hotel occupancy tax because the hotel occupancy tax law does not recognize any federal exemptions.

The laws, rules and other information about exemptions are online at [www.Comptroller.Texas.Gov/taxes/exempt/](http://www.Comptroller.Texas.Gov/taxes/exempt/).

You can submit your completed application along with required documentation by mail, fax, or email

Mail: Texas Comptroller of Public Accounts  
Exempt Organizations Section  
P.O. Box 13528  
Austin, Texas 78711

FAX: (512) 475-5862  
Email: [exempt.orgs@cpa.texas.gov](mailto:exempt.orgs@cpa.texas.gov)

We process applications in the order they are received. To establish claimed exemptions, we may require additional information. After review of the material, we will inform the organization in writing if it qualifies for exemption. The Comptroller, or an authorized representative of the Comptroller, may audit the records of an exempt organization at any time during regular business hours to verify the validity of the organization's exempt status.
